## Save Money

Save Energy - Save  
Money - Save Environment

Did you know that by making your home more energy efficient you could be saving up to £250 off your fuel bills? Last year Carlisle & County Energy Efficiency Advice Centre, working with Allerdale Borough Council, provided energy efficiency advice to thousands of householders in Cumbria. Hundreds of energy efficiency measures were installed as a result of advice given about grants and discounts available in Cumbria. These measures included loft insulation, cavity wall insulation, free cylinder jackets and energy saving light bulbs.

Grants and discounts are available to many different people, not just those in receipt of benefits. To find out how you can make your home more comfortable at the same time as saving money and doing your bit for the environment, telephone the Energy Efficiency Advice Centre free on 0800 512 012 during office hours

## Silloth & District Community Transport

Don't forget this is a voluntary service provided for the use of registered groups, with trained drivers and there are facilities for able and disabled people alike. The minibus also features a tail lift, making it easier for wheelchair access. To book the vehicle please contact Rachael Blackburn on 016973 32679.

## Silloth Ramblers

The Ramblers have trodden a few miles already – around the Grune, Allonby to Silloth, and two more strenuous jaunts first up to the top of Skiddaw and next onto the top of Helvellyn from Thirlmere both blessed by perfect weather.

We are in the process of obtaining the use of the community bus and hope to get better organised with trips to Criffel Fell and Morecambe Bay Sands in the offing.

We hope to start shorter local walks during the week, probably on Thursday mornings, in the near future. Anyone interested phone Silloth 31687.
