## Buzzin' Letters

Dear Buzz,

Allerdale have been chopping – not pruning the poor trees again.  
 I have spoken to quite a few people, including David Halpin who is on the Council in Silloth and we all agree how ridiculous they look – neither use nor ornament.  
 If anyone is in agreement, would they please let one of the town councillors know for the next meeting and they can let Allerdale know how we feel.

Adele Proud

Dear Buzz,

Last June I arrived in Blitterlees and after living here for ten months I am more and more amazed at the speed of vehicles that pass my home.  
 Three weeks ago my boxer pup "Lennex" was knocked down by a speeding van. He sustained horrific injuries and the vet fees total more than £3,000, and I consider Lennex was lucky.  
 If the van had been observing the 30 mph speed limit, it would have reduced his injuries substantially.  
 Now, one must remember Blitterlees is a village with blind bends, etc and excessive speed could lead to the death or serious injury to a child, or any pedestrian.  
 I am sure there is not a mororist on the road who would want, or could live with that.  
 Do some motorists think the speed limits do not apply to them?  
 Surely now is the time to act by putting pressure on to government bodies, ie Police or Highway Department for some traffic calming measures.
