

Silloth Primary Pupils Visit Lifeboat Station

Year one children from Silloth Primary School visited the lifeboat station on Thursday 11th April 2002.

They were shown around the lifeboat and given a brief lesson on how to put on life jackets. After a visit to the lifeboat souvenir shop they went upstairs for a short talk by Eddie Studholme and to watch an educational video. Members of the lifeboat rescue team gave up their time to show the children around and made them welcome. The Primary School has close links with the lifeboat crew and always supports it.
