Silloth Group Medical Practice

2020 FLU CAMPAIGN

This year due to COVID-19 our flu clinics have been arranged slightly differently to ensure that social distancing measures are in place at all times.

We will have a one-way flow system in place through the building to minimise the risk to all concerned. Please be sure to wear a face covering before entering the building and use the hand sanitiser provided. There will be markings for up to 10 people at a time outside. It might be worth considering waiting in your car if there is a queue.

As we can only allow up to 5 patients into the building at one time we would ask that you form a queue outside the front door keeping to the marked areas for social distancing.

We have a video monitoring system in place so will know you are there. If you need a carer/helper to be with you they will count as one person as long as they are in your "bubble".

To help the nurses and reduce waiting time could we please ask that you wear clothes that will make the vaccination site easily accessible such as short sleeves.

If you are eligible you may also be offered a pneumococcal or shingles vaccination at the same time.

You will then leave via the rear of the building

Silloth Group Medical Practice would like to assure you that we are putting your safety first at all times and would like to thank you for your understanding.

If you are over 65 years of age or suffer from one of the

Chronic respiratory disease, including asthma (requiring continuous or repeated use of inhaled or systemic steroids) ie prescription of certain steroids within 6 months

Asthma with previous exacerbations requiring hospital admissions in the last 12 months,

Chronic heart disease Chronic kidney disease BMI over 40 Learning Disabilities Chronic liver disease Diabetes, Pregnant

Have had a stroke or a TIA Suffer from MS or other diseases of the central nervous

system.
A carer for the elderly or disabled, or a patient in a long stay residential home.

Immunosuppression
Eligible children aged 2,3 and 4 year olds will be

You are invited to attend the surgery on one of the following days:

Silloth Surgery —Saturday 19th September 9am to 12pm

Silloth Surgery—Friday 25th September 1pm to 4pm

Silloth Surgery –Saturday 26th September 9am to 12pm

Silloth Surgery—Friday 9th October 1pm to 4pm

NO APPOINTMENTS REQUIRED BUT PLEASE BE PREPARED TO QUEUE IT IS IMPORTANT THAT YOU DO NOT ATTEND IF YOU ARE FEELING UNWELL

WINTER 2020/21 Vaccination

MMR VACCINE

We are currently running a catch up vaccination programme for MMR's (measles, mumps and rubella) for all patients up to the age of 45.

If you think you have either not had an MMR vaccination or a booster could you please contact the surgery who will check this information for you and if necessary arrange an appointment.

Some people with a learning disability can get very ill if they get flu.

The best way to avoid flu is to get a free flu jab.

You can have the flu jab at your GP surgery.

The vaccine will help protect your child

If you are scared of needles, tell the nurse. You may be able to have the vaccine as a nose spray instead.

COVID-19 AND OUR NEW WAY OF WORKING

Since the Coronavirus pandemic began we have had to adapt very quickly to a new way of working in order to fully protect our patients and staff. Please be assured that we are still open for business as usual - just in a different way.

TELEPHONE CONSULTATIONS

Initial contact will be via telephone on 016973 31309. If you wish to book a telephone consultation please ring before 11:00am. Anyone ringing after 11:00am will be booked in for the next day.

Reception are currently dealing with a very high volume of telephone calls especially on a Monday morning and we would appreciate it if you could consider this when contacting us. Some telephone appointments have been made available to book via the Patient Access / MyGp App.

Should you be asked to attend the surgery you will need to ring the doorbell and the door will be opened for you. Please make sure that you are wearing a face covering/mask before entering the building and use the hand sanitiser provided.

You can also use OnLine Consult which is available on our website to contact a doctor but please note that this is for non-urgent cases only as it may take up to two days for the doctor to see it.

We would like to take this opportunity to thank all of our patients for their patience and understanding during these difficult times. It is very much appreciated.

Book Borrowing is Back as Cumbria County Councils Six Main Library Buildings Reopen

Cumbria County Council's 6 main library buildings in Carlisle, Penrith, Whitehaven, Workington, Kendal and Barrow have reopened today with new safety measures in place.

To protect the health and safety of library staff and customers, new Covid-secure measures are in place and the library opening times and offer is slightly different.

Key changes include: Hand sanitiser stations are located at entrances and exits and customers are advised to use them.

Signage and floor markings are in place to promote 2 metres social distancing and to help people find their way around safely.

Customers are required to wear face coverings and library staff will be wearing Personal Protective Equipment.

Access to each library and its computers will be limited at first to allow library staff to safely manage the number of visitors.

Toilets and baby-changing facilities are temporarily closed to the public.

Fines incurred during our

temporary closure will be waived until 31st December, so customers don't have to worry about returning overdue items immediately.

Any returned books, including those borrowed before lockdown, will be quarantined for 72 hours before going back into circulation.

To welcome customers back to much-loved library buildings, Library Hosts will be on hand to greet people on arrival and explain the new arrangements.

Councillor Deborah Earl, Cabinet Member for Public Health and Communities, said:

"Our teams have worked their socks off to reopen our six main libraries and I know just how much everyone has missed their local library.

The safety of customers and staff remains a priority, that's why we are starting with the reopening of the county's main libraries initially and introducing a number of added safety measures to protect all those who use them.

I am incredibly grateful for our team's efforts and I'd like to thank everyone for their patience and understanding during these challenging times.

Not all of the usual activities will be available, but there will still be plenty of resources available for customers and book lovers to enjoy."

For people who still aren't ready to leave home, the county council's library service offers fantastic online services which continue to attract more and more people. All library members can get free access to a whole host of online benefits, including access to eBooks, audio books, magazines, newspapers and comics.

Services like Select & Collect and Home Delivery are also up and running.

Find out more and join the library service at cumbria.gov. uk/libraries. Find libraries on Facebook to stay up to date with their latest news and what's on.

PCC Supports Victims of Dangerous Driving

Cumbria's Police and Crime Commissioner, Peter McCall, has commissioned the bereavement and support service 'Brake' in Cumbria for three years for victims and families of road accidents. The PCC's commissioning of the service falls in National Road Victims Month that aims to remember those who lost their lives or have been injured in a roads accident and raise awareness on road safety across the UK.

In the past 12 months, 26 people have been killed and a further 1077 were injured on Cumbrian roads due to dangerous driving. With dangerous driving being one of the biggest concerns for residents in Cumbria, PCC Peter McCall aimed to provide support to victims and family members of those killed in driving accidents across the county.

Brake provides specialist support to those affected by road accidents in partnership with the police. Families and individuals affected by an accident will be visited by the Police and provided with a guidance pack with information on Brake and their contact details. The affected can then contact Brake and will be given tailored support by their helpline officer based on the needs of the caller. Support can range from linking in with local health

and social care services, local charities, explaining legal practices for court visits, if applicable, and help with understanding of legal documents regarding wills and finances. Brake provides support for as long as it is needed by caller.

Police and Crime Commissioner, Peter McCall, said: "Anti-social driving is one of the biggest issues residents of Cumbria raise with me. In my role as PCC, it is my job to take these concerns to the Chief Constable and help tackle road crime numbers and support victims of all crimes National Road Victims Month is a time to remember those who have been injured or lost their lives on the road. These deaths are tragic and these accidents are completely avoidable by driving to conditions and following the laws that are in place to protect us all. But we know that road accidents do happen and although the police are constantly trying to reduce these numbers, there has to be a service available to support those who have been affected by dangerous driving which is why I commissioned Brake for Cumbria. Brake is a fantastic service that I know will support anyone affected by a road accident. Anyone who feels that they could benefit from Brake, please call their helpline on 0808 8000 401."

David Allen Accountant Joins ProjX Team

Workington based Accountant Michael Fearon is delighted to have been part of the ProjX 2020 Work Awareness team.

Michael Fearon was asked to take part in the programme, delivering a sixty-minute finance session to the pupils. During this session the students looked at the differences between project and financial accounting and then took part in a short task which included calculating a Break Even Point, Return on Investment and discussing different financing methods.

The ProjX programme which took place at the beginning of July, was successfully piloted with year 10 pupils from across West Cumbria. The programme was initially cancelled this term due to current social distancing measures and school closures in light of the Covid-19 pandemic. Instead of letting year 10 students go without work experience opportunities this year, the Projx programme delivered an exciting new virtual online experience.

During the programme the pupils were tasked with designing a concept for commercial redevelopment of a councildesignated town area. There were four school teams who took part made up of pupils

from; St Benedict's, Beacon Hill, Cockermouth, Energy Coast UTC and St Joseph's.

The two-week interactive programme was delivered by the Centre for Leadership Performance, in partnership with a range of local business partners and funded by Sellafield Ltd.

The programme provides students with an opportunity to develop a range of skills and explore different interests. An exposure to a range of businesses, job roles and skills sets is provided to all pupils. This will help develop several transferable skills, including communication, problem solving, leadership and teamwork as well as the use of online platforms which have become more relevant to the modern way of working.

Michael said "It was a pleasure to be asked to be involved in such a great programme. All the pupils interpreted the task in a creative way. Well done to all the teams who took part and thank you to the Centre for Leadership Performance for getting me involved."

If you would like to find out more about the services David Allen provide, please visit our website www.david-allen.co.uk, give us a call on 01228 711888 or email mail@david-allen.co.uk

Does the Local Plan Affect You?

Allerdale's Local Plan (Part 2) - a vital document outlining potential future development across the borough – has been approved by councillors.

At a meeting of the full council on July 22nd members voted to adopt the Local Plan (Part 2), an important planning and policy document which identifies land for a number of uses.

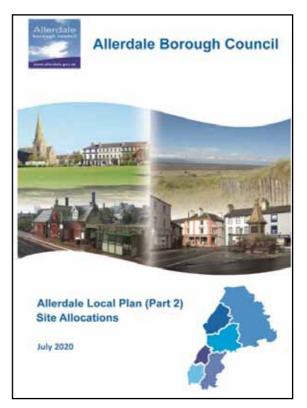

This includes land for housing, employment, retail, wind energy, gypsy and travellers, open space and green infrastructure networks. It also includes policies on affordable housing, housing standards, tourism, broadband infrastructure, amenity green space, green gaps and green infrastructure. In addition, all development boundaries around towns and villages have also been reviewed.

The plan will play a crucial role in supporting the delivery of the objectives around housing and business growth set out in the 10-year Council Strategy, while providing the framework to guide the determination of planning applications.

Cllr Marion Fitzgerald, Executive member for policy, governance and people resources, moved the reported and said: "The process of putting together this Local Plan has involved a great deal of work by a dedicated team and we hope this will give confidence to residents across Allerdale that we have a detailed plan for future development in the area. As an authority we have ambitious plans through our 10-year Council Strategy and the Local Plan will play a big role in helping us achieve that."

The first part of the Local Plan, agreed in 2014, set out the overall planning strategy and growth areas in Allerdale until 2029 and identified a housing need for at least 5,471 properties and 54 hectares of employment land in that period.

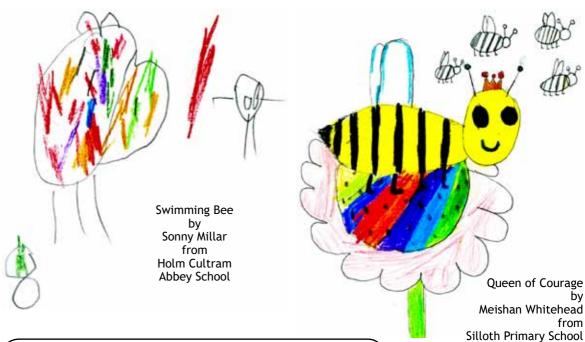

Part two of the plan identifies or 'allocates' sufficient areas of land within the district that lie outside the

Lake District National Park for specific types of development and land uses. The plan was submitted to the Minister for Housing, Communities and Local Government for independent examination in January last year and was "found sound" by the Government, subject to some minor modifications.

The Local Plan (Part 2) has been subject to various stages of public consultation.

More info on the plan can be found at www.allerdale.gov.uk/siteallocations.

Walkers Cut Off by Tide

Report by: Julie Emary Lifeboat Press Officer

The Silloth RNLI pagers went off at 12:23pm on Thursday 6th August.

The lifeboat was launched at 12:30pm to help two people who had been cut off by the tide at Eastriggs, to the east of Annan on the Scottish border. The sea

conditions and visibility were excellent. Nith Rescue and Annan Coastguard were also involved in the rescue.

However the two people both managed to get safely ashore before either lifeboat became involved in rescuing them. The coastguard spoke to both casualties to ensure both were fit and well, despite being very wet, when they reached dry ground.

At 12:48 Silloth lifeboat was stood down. They returned to the station where the boat was washed down, sanitised and made ready for service again according to Covid-19 instructions.

Kite Surfer in Distress

Report by: Julie Emary Lifeboat Press Officer

Silloth RNLI lifeboat was called out at 5:19pm on Sunday 9th August to a kite surfer in distress just off Powfoot on the Scottish coast. There were two kite surfers involved in the incident but one had made it safely back to shore. The tide was ebbing with a fresh north easterly offshore breeze.

Annan coastguard was also involved in the emergency.

The lifeboat from Silloth had almost reached the area concerned when Belfast Coastguard confirmed to helmsman Steven Henderson that both casualties had now managed to swim safely to shore unaided and were safe and well but the surfing equipment had been abandoned; although this too was later recovered. Consequently the lifeboat was stood down at

5:43pm

The RNLI lifeboat returned to Silloth and was made ready for service again by 6:12pm.

Downloadable Bin Collection Calendar

Residents across Allerdale are now able to download a printable calendar showing their property's schedule of bin collections for the rest of the year.

The new calendar can be easily downloaded as a PDF for people to view at their leisure on their mobile device or printed off to pin up in their home. The calendar will contain a property's collection details until the end of March 2021.

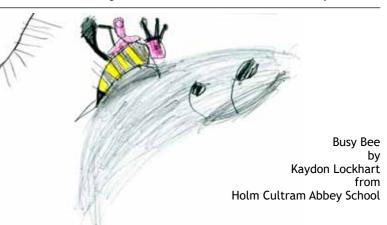

All residents
need to do to
generate their collection calendar
is to go to https://www.allerdale.
gov.uk/en/bincollections/, type
in their postcode and then select
their address from a drop-down

in their postcode and then select their address from a drop-down menu. They will then have the option to download the calendar as a PDF file and print if they wish.

The council's popular online calendar which shows details of the next collections will still also be available for residents via the same web page. Residents are encouraged to continue using this as it shows up to the minute information, including whether

crews have already been to their property on their collection day, as well as providing them with a way of reporting a missed collection online.

Cllr Tony Markley, Executive member for environmental services, said: "Many of our residents have been in touch with us asking us to produce a printable version of our online calendar and our officers have been working hard to get this ready. I hope this will be a useful tool for those residents who prefer to access their collection details this way."

Cumbrian Place Name Meanings

Almost all place names have a meaning but today it is not always obvious where the name came from or what it means.

Here are a few of the more common Old English (OE) and Old Norse (ON) words wou will come across.

Barrow	OE	beorg	Hill	
Bower	OE	bur	Dwelling	
Capple	ON	kapall Horse		
Dale	OE	dair	Valley	
Docker	ON	dokk	Hollow	
Fell	ON	fjall	Flat Mountain	
Force	ON	fors	Waterfall	
Ghyll, Gill	ON	gil	Ravine	
Goat	ON	goltr	Wild Boar	
Harter	ON	hjortr	Hart (male deer)	
Hollin	OE	holegn	Holly	
Holme	ON	holmr	Island	
Howe	ON	haugr	Hill	
Mere	OE	maer	Lake	
Mur	OE	mor	Moor or Bog	
Pike	ON	pic	Peak	
Sad	ON	saetr	Upland Pasture	
Sheiling	ON	saetr	Side, Seat	
Sled	OE	slaed	Valley	
Stock	OE	stocc	Tree Stump	
Swinkle	ON	svin	Swine Pigs	
Swinkle	ON	kelda	Spring	
Tarn	ON	tjorn	Small Lake	
Thwaite	ON	thveit	Clearing	

Remember: High, middle and Low are defined by the stream or river. High is 'up river'.

Cumbrian numbers

1 yan 2 tyan 3 tethera 4 methera 5 pimp 6 sethera 7 lethera 8 hovera 9 dovera 10 dick bumfit

giggot

The Cumbrian numbers, often called 'sheep counting numerals' because of their (declining) use by shepherds to this very day, show clear signs that they may well have their origins in Cumbric.

NB: when these numerals were used for counting sheep, reputedly, the shepherd would count to fifteen or twenty and then move a small stone from one of his pockets to the other before beginning again, thus keeping score. Numbers eleven, twelve etc. would have been 'yandick, taendick,' while sixteen and seventeen would have been 'yan-bumfit, tyan-bumfit,' etc.

Cumbrian Linguistic Influences

This Information has largely been sourced from Wikipedia, the online free-content encyclopedia project that aims to help create a world in which everyone can freely share in the sum of all knowledge.

Abbreviations used in the following descriptions: OE Old English, ON Old Norse, Da Danish, Br Brythonic Celtic, Go Goidelic Celtic, Ir Irish, Sc Scottish, AN Anglo-Norman

Areas

Allerdale 'valley of River Ellen' Copeland 'bargained land, bought land' from ON kaupa land

Cumbria 'land of the Cymry' (the Brythonic name for the British people of the area, related to Welsh Cymru, from a Brittonic *kombrogi meaning 'fellow countrymen').

Cumberland 'land of the Cymry' from the OE Cumbra land

Furness 'further promontory' from OE fuðor and ON nes, the oldest form of the name is Fuþþernessa (c1150)

Grizedale Forest 'valley with pigs' from ON gris dalr

Morecambe Bay 'crooked sea' from Br *mori- & *kambo-. [8] The name was recorded in Ptolemy's Geographica c.150AD as Morikambe, apparently referring to the Lune Estuary. It was subsequently lost then revived in the 19th century as both the name for the bay and the new Lancashire seaside resort at Poulton-le-Sands.

Solway Firth 'Muddy ford estuary' from ON sol vath fjórðr - or from the Celtic tribal name Selgovae

Westmorland 'land of the people living west of the moors' from OE west mor inga land. The name presumably dates from the time when Westmorland was part of Northumbria and ruled from the east.

Valleys

Borrowdale 'valley with a fort' from ON borgar dalr

Dunnerdale 'valley of the River Duddon'

Ennerdale 'valley of the River Ehen'

Langdale 'long valley' from ON lang dalr

Lonsdale 'valley of the River

Mardale 'valley with a lake' from ON marr dalr

Patterdale 'Patrick's valley', possibly named after St Patrick or, more likely, a later Norse-Irish settler

Sleddale 'valley with flat land' from ON sletta dalr

Wasdale 'valley of water' from ON vatns dalr

Silloth-on-Solway

'Silloth' means sea barn(s), v. 'sae hlaða'.

V. sae niaoa.

(The first word is Old English, the second is Old Norse).

Towns and villages

Aspatria 'Patrick's Ash' from ON asc and the personal name

Barrow-in-Furness 'headland island' from Br barr and ON ey

Blennerhasset 'Hay farm on a hill' from the Cumbric *blein 'steep faced slope' plus ON haysaetr

Bootle 'huts, shelter' from ON buðl

Bowness 'promontory shaped like a bow' from ON bogi nes

Cark 'rock' from Br carreg Carlisle 'fort of the God Lugus' from Br *Luguwalion -> Lat Luguvalium -> OE Luel -> Cumbric Cair Luel (Welsh - Caer Liwelydd)[8]

Cockermouth 'mouth of the River Cocker'

Dalton-in-Furness 'farm in a valley' from ON dalr tun

Frizington 'farm/settlement of the Friesen people' from OE Fris, inga and tun

Grange-over-Sands 'outlying farm belonging to a monastery' from the ME grange. -over-Sands was probably added in the 19th century when the town prospered as a holiday resort overlooking Morecambe Bay. The term 'oversands' may also refer to the ancient act of traversing Morecambe Bay sands as a means of shortening the travel distance in the area.

Hawkshead uncertain. The 'hawks-' might either mean 'hawk' or be the ON personal name Haukr and the '-head' may mean 'head' from OE heofod or 'summer farm, shieling' from ON saetr

Kendal 'valley of the River Kent' from ON Kent dalr

Keswick 'cheese farm' from OE cēse wic[also ON "vik" 'landing place' (i.e. village)]

Kirkby 'village with a church' from ON kirk by

Maryport named after the wife of Humphrey Senhouse who developed the town into a port. It was originally called Ellenfoot as it stood at the foot of the River Ellen but was changed in 1756 as the town developed.

Millom mills' from OE millen Milnthorpe 'village with mills' from OE millen and Da borp

Threlkeld 'thrall's well' from ON prœl kelda

Ulpha 'wolf hill' from ON ulfr haugr

Ulverston 'Ulfr's farmstead' from ON Ulfrs tun (ulfr is also the ON word for 'wolf')

Whitehaven 'white harbour' from ON hvit hafn

Workington 'farm/settlement of Weorc's people' from OE Weorc, inga and tun

The Lakes

Bassenthwaite Lake 'Bastun's clearing' from an OE personal name Beabstan, or an NF nickname Bastun and ON byeit

Brothers Water either 'broad water' from ON breiðr vatn or 'brothers' water' from ON bróðirs vatn (there are legends of two brothers drowning in this lake)

Buttermere 'lake by dairy pastures' from OE butere mere'

Coniston Water named after the village, which means 'king's farmstead from ON konigs tun

Crummock Water 'lake of the crooked river,' linking the name with the River Cocker which flows through it. Related to Br *crumbaco

Derwentwater named after the River Derwent

Devoke Water 'little dark one' from a Br word *dubaco

Elter Water 'swan lake' from ON eltr vatn

Ennerdale Water named after the valley in which it is situated

Grasmere 'lake in pasture' or 'grassy lake' from OE græs mere

Haweswater 'Hafr's lake' or 'he-goat's lake' from the ON hafs

Hayeswater 'Eithr's lake from an ON Eiths vatn

Loweswater 'leafy lake' from ON lauf saer, ON vatn or OE wæter was added later

Rydal Water named after the valley of Rydal; formerly called Routhmere, linking the lake with the River Rothay

Tarn Hows probably 'hill tarn' from ON tjórn haugr

Thirlmere 'lake with a gap' from OE thyrel mere

Ullswater uncertain. Possibly named after a Norse chief Ulf or a local Saxon lord named Ulphus; or from the Norse god Ullr

Wast Water 'Wasdale Water'. The name literally means 'water water' from ON vatn and OE wæter

Windermere 'Vinandr's lake' from ON personal name 'Vinandr' and OE 'mere'

Skinburness

Skinburness is thought to mean "the headland of the Demon haunted castle."

The headland is Grune Point. St John's Chapel on Grune point is one of the places identified as the Green Chapel where Sir Gawaine had his meeting with the

Green Knight.

Our third Virtual Open Mic Night was another great success. We are once again working towards our next event on the 4th September. We go live at 7pm and we'd love you to join us!

There are three ways to participate: you can send us a pre-recorded video to play out (http://www.wigtontheatre.org/) and then sit back and enjoy the show on the night or you can perform live on the evening via Zoom.

If you would rather just watch and listen without performing that's fine too - just follow the Zoom link to join us on the night. You don't even need to have your microphone or camera on, but there is a chance to chat during intervals.

We hope to see you there!

Lockdown 2020 - Virtual Open Mic Night September 4th Join us on Zoom @ 7pm

Join us via Zoom (https://us02web.zoom.us/j/89501470529?pwd=b DF0MjJ3NDlSUVdhUUVOaTh4aFJSdz09) on the 16th of September at 7pm for a virtual social quiz night.

VJ Day 75th Anniversary

Report by: Lawrence Marshall

On Saturday 15th August we had a short anniversary service, due to the restrictions of Covid 19, of the 75 VJ day at Christ Church Silloth.

At 11am we had a two minute silence to remember them.

Rector Bryan Rothwell led the prayers and then we rang the church bell 75 times.

My granddaughter Niamh

checked that we did the correct number of chimes.

Some Sillothians served in the far east to help bring WWII, the bloodiest war in human history, to a final end

Covid-19 Business Grant Scheme

More organisations affected by the coronavirus outbreak may now be eligible for a grant under a new round of Allerdale Borough Council's discretionary grant scheme.

Cash grants of up to £25,000 are now available to eligible businesses, with other amounts paid out on a sliding scale dependent on the number of employees, the property costs or

the amount of income lost. The scheme is designed to help those with property costs that have seen a significant fall in income due to the coronavirus outbreak.

Like previous schemes, this third round of the discretionary grant scheme is aimed at helping as many businesses as possible, by further widening the eligibility criteria. In the first round the council focussed on the sectors it had been asked by the government to prioritise.

As with the second round, the grant is available for small and micro businesses as defined in the Small Business, Enterprise and Employment Act 2015 and the Companies Act 2006. However, the council has lowered the annual property cost criteria by £1,400 to £1,000 a year - meaning that many more businesses are now eligible to apply so long as they meet the

other criteria.

Allerdale

The scheme has also been widened to include medium-sized businesses.

Registered charities and Community Interest Companies

and bed and breakfast providers that pay council tax instead of business rates can also continue to apply for the grant if they meet the criteria of the scheme.

To be eligible businesses and organisations must be able to confirm a drop in income of at least 25 per cent from April 2019 to April 2020.

Full details on the eligibility criteria is available on the council's website: https://www.allerdale.gov. uk/en/coronavirus/coronavirus-business-grants-claims/discretionary-grant-scheme/

There are some types of businesses specifically excluded from the scheme, such as housing associations. These are outlined in the policy document.

As with other rounds, businesses cannot apply if they are eligible for any of the other grant schemes or financial support initiatives announced by the government, except the Coronavirus Job Retention Scheme (for furloughed staff) or the Self-Employed Income Support Scheme. They also need to be able to show that they were trading on 11 March 2020.

Due to a government deadline

of the end of August for the closure of all discretionary grant schemes, applications are open until 5pm on 26 August. Completed applications will be considered on a first-come first-served basis. Therefore, eligible organisations are encouraged to submit their application, complete with all the necessary accompanying documentation, as soon as possible to avoid disappointment.

The council is contacting by email all applicants whose property costs were too low to be eligible for the previous grants, but may now mean they are eligible for this grant. A separate application is not required from these organisations.

too. Anyone who is interested

a beer garden and beyond the car

site. Like many pubs, it has seen

tough commercial times and sadly

Don't Miss This, It is Your Chance to Purchase a Share in the Lowther Arms Pub in Mawbray

"It's not just a pub – it will be a community hub", says the Mawbray community who are campaigning to save their local pub, buying it and reopening as a community enterprise. They have stepped up their awareness campaign and launched their share offer on Tuesday 18th August.

The Lowther Arms Community Project (LACP) is looking to raise £300,000 to reopen and transform the Lowther Arms at Mawbray. The pub sits a stone's throw from the beaches and dunes of the Solway Coast, so locals believe it would become the UK's first Coastal Community Pub.

LACP Spokesperson Christopher Atkinson said "This is not just about buying a pub; it's about preserving the heritage in our village, investing in the future of the parish for our locals, our visitors and the businesses that rely on tourism. If we don't buy the pub now it is likely to be lost forever.

The Parish Council were successful in having the pub listed as an Asset of Community Value, which ensures the community has the right to bid when listed for sale.

"To buy, re-open, and transform the pub, we need to raise money through donations and by selling shares in the Lowther Arms Community Project Limited. All shareholders become Members of the Society, owning a piece of the Lowther Arms. There is a growing market for community pubs and evidence that if the community is invested in the project, they will make more effort to use the pub and contribute to its success. We know from our research that 86% of the local community would use the pub on a regular basis. And we're planning to extend what

the pub has to offer, introducing better broadband, and additional services including a café, shop and revitalised caravan and camping site whose additional income streams are essential for success."

LACP has already received some great pledges, but they are now also looking for support from the wider public and businesses. The task of raising the money has been made more challenging with the Covid-19 lockdown, with some fundraising events cancelled, so they are turning to social media in an attempt to attract a wider audience.

Explaining how people can buy a slice of the Lowther Arms Chris said "Firstly, you need to be over

18 years to invest. Shares cost £50 each with a minimum investment of £100 and you can buy as many as you want up to 600 shares (£30,000 in value). Individuals, groups and businesses can also invest – and they can also be bought as a gift. The application form is on our website or one can be posted out on

Solway Buzz - local news - for you - by you - about you - free to you

"It may seem a difficult task, but we know community owned pubs do work. In the UK, 122 pubs have been taken over by community cooperatives, reinvigorating pubs that were once struggling businesses. And since 2004, not one community pub has closed."

loved Lowther Arms has already been awarded support from More Than a Pub: The Community Pub Business Support Programme.

LACP is receiving a package of specialist business advice and a £2,500 bursary from More Than A Pub, which is a £2.2m programme established to help support community ownership of pubs in England, funded by Power to Change. It is being delivered by Plunkett Foundation in collaboration with Co-operative & Community Finance, Key Fund, the Campaign for Real Ale (CAMRA), Co-operative Mutual Solutions, Pub is the Hub, Ministry of Housing, Communities and Local

Government and Locality. When a group is ready to purchase a pub, More Than A Pub can offer a combined finance

package of up to £100,000, made up of a loan and grant. Plunkett Foundation's Executive Director, James Alcock, said: "We're

so pleased to be able to support The Lowther Arms Community Project who are working hard to make sure their community can benefit from everything that having a thriving local pub brings. Pubs that are owned and run by the community are so much more than a place to buy a drink; they provide important social spaces and services for local people and are central to their

community's sense of place and identity."

Creating a campaign to open a pub during Covid lockdown has been challenging – but the team worked 'All hands together' – from a socially distancing perspective.

Pulling in all aspects of the community, they have created a socially distanced community video and are encouraging people to spread the word about the share offer by sharing stories, videos and

messages on their Face Book page @ lowtherarmscommunityproject Chris said, "We're especially

Lowther

keen to seek support from those who love the Solway Coast and want to preserve and support the sustainability of our costal community - whether they want to buy shares or simply want to make a donation?

Some people just want to make a donation – so a donation link has been added to the website

and is now on the market.

When does the share offer close: It closes whenever the maximum mount is reached or 1st

October – whichever is sooner – but the Management Committee reserves the right to extend the

More Than a Pub:

The Community Pub Business Support programme aims to bring pubs into community ownership and to increase the range of services they offer to help local people. This new £2.2million round of More than a Pub, makes a range of support and funding available until September 2020. The support includes allocated business development advisers, help with community consultations, advice on legal forms, business planning, community share offers and bursary awards of up to £2,500. Groups can access the full range of support from the pre-venture stage, or just the elements they need, depending on how well their plans are developed. When a group is ready to purchase a pub, we can offer a combined finance package of up to £100,000, made up of a loan and grant. www. plunkett.co.uk/more-than-a-pub

Plunkett Foundation:

(www.plunkett.co.uk) helps communities to take control of their challenges and overcome donation can find out more at www. them together. Plunkett supports people, predominantly in rural areas, to set up and run lifechanging community co-operatives; enterprises that are owned and run democratically by large numbers of people in their community. They elp people to tackle a range of park, a registered caravan and camp issues, from isolation and loneliness to poverty, and come in many forms including shops, cafes, pubs

everything in between.

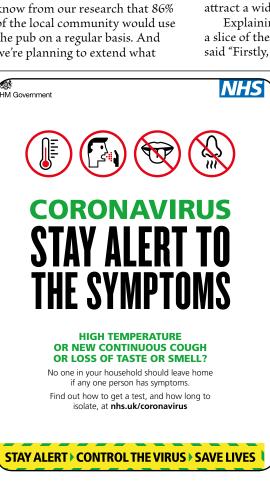

Power to Change:

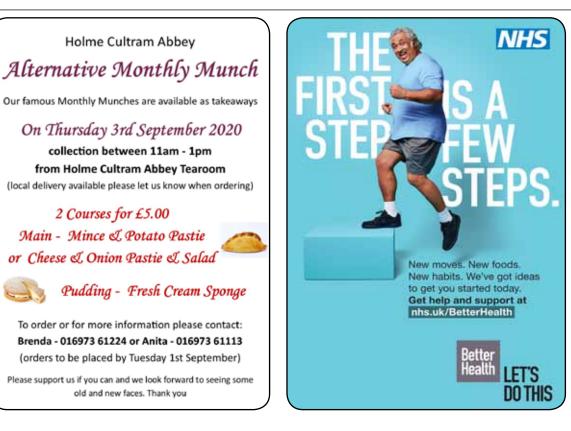

Is the independent trust that supports community businesses in England. Community businesses are locally rooted, community-led, trading for community benefit and making life better for local people. There are nearly 7,000 community businesses across England employing 35,500 people, with a combined income of £1.2bn. From pubs to libraries; shops to bakeries; swimming pools to solar farms: community businesses are creating great products and services, providing employment and training and transforming lives.

The National Lottery Community Fund:

The National Lottery Community Fund are the largest funder of community activity in the UK - they're proud to award money raised by National Lottery players to communities across England, Scotland, Wales and Northern Ireland. Since June 2004, they have made over 200,000 grants and awarded over £9 billion to projects that have benefited millions of people.

The National Lottery Community Fund are passionate about funding great ideas that matter to communities and make a difference to people's lives. At the heart of everything they do is the belief that when people are in the lead, communities thrive. Thanks to the support of National Lottery players, their funding is open to everyone. They're privileged to be able to work with the smallest of local groups right up to UK wide charities, enabling people and communities to bring their ambitions to life.

Buzzing Letters

Dear Buzz,

How great to have our Buzz back!

Thank you to the team. Thank you also for printing my Corona 19 poem, but can I just say I am hoping all who read it spotted a mistake, where it said, And for all the health workers, our gratitude "sours", instead of saying "soars" because no way would I have written anything other than our gratitude soars for them all. Keep up the good work at The Buzz and carry on keeping safe.

Pauline Mole

Dear Buzz,

On behalf of my wife Marjorie we would like to thank all family and friends who helped celebrate her 80th birthday on the 15th August with cards, flowers and presents. Special thanks to Tania Snaith for the wonderful cake and to the management and staff of the Golf Hotel for the lovely meal and service given to all present.

Graham Wilkinson

Dear Buzz,

Our MP Mr Mark Jenkinson has proposed reconstituting the railway line from Silloth to Carlisle, an idea not as far fetched as some might think it

It costs £30M to build one mile of motorway, for that you could reconstitute the whole of the line from Silloth to Carlisle and more to the point it would be zero carbon transport.

Unless we stop carbon emissions from transport the ice caps will melt and all of the communities on this railway line will only exist underneath the Irish Sea. The electorate will not vote for politicians who want a zero carbon economy but the day is rapidly approaching when they

It is to Mr Jenkinson's credit that he puts forward this issue.

Rov Ivinson

Dear Buzz,

Thanks for publishing my letter on your 1st copy of the Buzz after COVID-19 Pandemic. I always read with interest

the articles and letters when in Silloth or online. I hope your business will bounce back and thrive once again as well as the whole of

Adrian Nixon

Dear Buzz

Silloth.

Can anyone tell me why Silloth is surrounded by road signs warning of skidding, loose gravel with a max speed of 20mph. These signs have been out for at least a month. While the surfaces are not exactly Formula One standard I have not seen any skidding or resurfacing work in that time and would say the signs themselves were more likely to cause an accident than any skidding, and are we guilty of a motoring offence if we exceed 20mph? Have you seen any work going on? Just try and contact Cumbrian Highways or your local MP to get an answer because you will be on a slow boat to nowhere. Ridiculous readily springs to mind, or do they really know what they are doing,

Happy Motoring

Nice to see you are up and running again. Can anyone tell me why Cumbria Highways dig up roads everywhere then abandon them for weeks on end?

The block road paving outside the Good Companions is a classic case. No one seems to care what disruption it causes. Are Cumbrian Highways a law unto themselves? Not a bit of wonder the management do

not want to meet any complainants or local councils even letters to our Allerdale MP draws no response.

Please do not insult our intelligence by blaming the recent pandemic.

C Briggs

Dear Buzz,

I would like to nominate Silloth Town Council for having the grottiest and most untidy building in town.

What is the point of having beautiful tubs of ornamental flowers and shrubs if the surrounding area is a haven for weeds growing out of walls and pavements. Yes, I am back and the pandemic has not mellowed me. Thank heavens for the Buzz otherwise I would explode.

C Briggs

Poems for Buzzers

The Bees Śarah Scott

Amidst this new reality, With sounds that were common before, Now rarer even than kindness, Or a knock upon the front door.

Two metres from my porch, An impossibly beautiful man, All hazmat suited in readiness, Two feet from his pest control van.

He means no offence, But he's here bout the bees, A neighbour who's concerned, They've infested my trees.

No, I'm not offended, But what concerns me the most, Is the well meaning neighbour, The incomprehensible ghost.

Clearly not heeding Earth's warning, Which certainly wasn't so vague, Mankind needs to change it's ways, So a pestilence for her plague.

No your services won't be required today, And with the greatest respect, please be gone, For we need the bees now more than ever, Or the human race is done.

Winie Millie Sessford from Holm Cultram Primary School Penny Stimson

Will you think of me When I am gone. Will you remember me In the words of a song.

Perhaps some poetry You may hear Will stir your memory And draw me near.

But as time passes by Memory fades Only a close loved one Will remember your ways.

A birthday or a date Special just to us two, Will bring back your memory Have you remembering the love we knew.

But time goes so quickly And life goes on, You quickly forget Those who have gone.

> I like Jénnifer Bailey

Fountain pens and diaries Chocolate, cheese and scones, Summer days and new green leaves, A beach with sand and stones.

Do you have a poem or letter for the buzz? We welcome all submissions, there is no charge. Please remember to include your contact information.

Masthead Bee Winner

Carlisle Embroidery are generously donating a Solway Buzz embroidered Kids Rucksack to the winner. This is in addition to the usual Winners Certificate and £5 Gift

So, come on kids, get drawing, the Buzz is always looking for more imaginative bees and yours might be the next winner. Return to your school, or the Discovery Centre, or post to the address on page 14 (large stamp) and a quality Solway Buzz embroidered Rucksack from Carlisle Embroidery could be yours.

You don't have to be at school here to send a bee to us. If you are here on holiday we would love to have your bee drawing. Pick up a form from Silloth Tourist Information and return it there or send it to us, our address is on page 14.

This month the winner is Isabella Hoyes from Holme St **Cuthbert School** with a bee drawing called "Happy Birthday Bee".

Well done!

• Engaging young people in meaningful social and environmental action

• Empowering young people from disadvantaged communities to volunteer, lead change and take action in their communities

• Encouraging young people to have a voice, be heard and give back to their local community

· Enabling young people to make a huge difference to improving their community and local environment

Cumbria Community Foundation is working with local youth organisations to recruit a youth advisory panel, made up of up to 14 young people, aged 16-25 with a diverse range of lived experience of social issues affecting young people across the region.

#CanDo aims to support the ambition of developing a lifetime commitment to social action and increase the number of opportunities for young people to volunteer, fundraise, or campaign on issues that are important to them, with a commitment to reducing the social and financial barriers that stop some young people from taking part in social action.

Did You Know?

The following is taken from 'The Stage' by way of 'Wigton Theatre

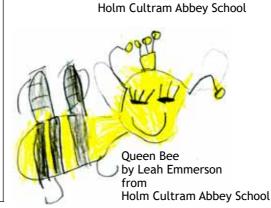

In 1592, an outbreak of the plague in London killed 1 in 12 Londoners and resulted in theatres being closed. With the theatre dark, Shakespeare turned to poetry, writing Venus and Adonis and The Rape of Lucrece.

During the years of the plague, theatres were often shut down, sometimes for very long periods, causing great hardship to the theatre community.

Broadband Upgrade Fund

Cumbria County Council has welcomed the recent launch of the government's Broadband Upgrade Fund campaign designed to help businesses, employees and rural communities take advantage of all the benefits associated with faster, and more reliable, internet connections

The government is offering rural residents up to £1,500 and small to medium sized businesses up to £3,500 to upgrade to gigabit broadband, which is capable of download speeds of 1 gigabit (1000 megabits) per second.

As part of the £394.5m Borderlands Growth Deal, up to £4 million of additional Government funding will 'top up' these vouchers in Cumbria and Northumberland so even more money is available to improve digital connectivity and boost the regional economy. The £4 million made available will be used to match the level of funding available under the Broadband Upgrade Fund in areas where available services are less than 30Mbps download speed, so that eligible businesses can now apply for up to a maximum of £7,000 and eligible residential properties up to £3,000.

Upgrading to gigabit broadband will mean homes and businesses in Cumbria have the world-class, future-proof and reliable internet connections that they need to keep pace with new advances in technology, and the jobs and growth that comes with it, now and in the decades to come.

Cllr Stewart Young, Leader of Cumbria County Council, said:

"The Broadband Upgrade Fund, combined with the top-up secured through the Borderlands Inclusive Growth Deal, will help deliver significantly better broadband to rural areas and to businesses and I'd encourage all eligible residents and businesses to look into this scheme now to see if they can benefit from it."

Residents and businesses can visit the Gigabit Broadband Voucher Scheme website at https://gigabitvoucher.culture.gov. uk to find a list of suppliers in their

The economic and social benefits of high-speed internet connections are central to the Borderlands vision for the region and have been proven doubly important during the Covid-19 restrictions and as part of the recovery plan from this crisis. More information on the Borderlands top up vouchers can be found on the Borderlands Partnership website at https:// www.borderlandsgrowth.com/ Digital-Voucher-Scheme.

Applications for broadband vouchers must be submitted by a supplier, on behalf of their customer, by the 31st March 2021.

JAN/V makes Her Departure from Silloth

Sport & Photos by:
John Forrester
More coverage of shipping at
Silloth can be found at www,
cumbriashipphotos.weebly.com

June saw a visit from the small coaster JAN/V with a cargo of wheat from the Baltic port of Vierow.

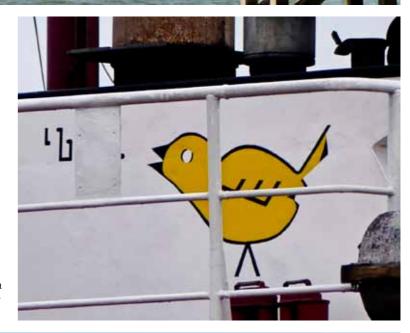

The arrival from Germany occurred during the early hours, much to the frustration of ship enthusiasts, however she was unloaded and ready to sail in daylight the following afternoon when conditions were ideal for photographers to capture the action.

Vierow is a modern shipping facility specialising in grain exports with a direct rail link to receive material from producers. It's a regular source of wheat for the Silloth Mill. The six-day sailing from the Baltic was via the North Sea heading towards the north of Scotland and treacherous Pentland Firth. The ship then headed south hugging the Scotlish coastline towards Cumbria where it was met by the Silloth Pilot off Workington.

The ship was built 35 years ago in the historic Duisburg Shipyard for its owner Jan Vogelsand and he remains the proud owner today. The ship has a very individual character, for example, the owner has added his personal touch by naming it JAN/V. He's taken this

further with the unique funnel marking, a yellow songbird, which also relates to his name Vogelsang, translating as 'bird sang' (photo courtesy of Patrick Deenik).

The ship is kept busy on routes around the Baltic so this was a rare sailing further west. The accompanying photos follow her departure for Swansea where she would pick up her next cargo before setting sail for more familiar waters. The Silloth Pilot skilfully guided the ship out of New Dock passing a group of primary school children enjoying a summer afternoon walk with their teachers. The children lined up to wave at the ship and the captain acknowledged them with a blast on his horn, a memorable moment for the youngsters.

July Shipping at the Port of Silloth

Report by: Capt Tim Riley, Harbour Master, Short Sea Pilot

July

26th Aberdeen from Ghent with a cargo of Fertiliser then on to Belfast.

We only had one vessel call during the month of July, very slow overall for the industry. The Aberdeen arrived with a split cargo of Fertiliser, part CAN and part AS. Totalling 2,908 tonnes.

The port is now looking to take advantage of some of the outlying

lands we own to provide additional storage for bulk cargoes, this will be as a result of the pending Brexit discussions as cargoes will probably end up coming from further afield and may need better/larger areas for storage prior to distribution or delivery to customers.

Looking forward we hope to improve the imports during August a little, possibly three vessels and better in September.

Hoping everyone is staying well during these strange times.

Protect Your Children Online

Police and Crime Commissioner, Peter McCall, is encouraging parents to speak to their children about the potential dangers on social media as the summer holiday begins. Children and teenagers are spending more time online which makes them more susceptible to being targeted by cyber criminals.

With technology continuously advancing, many criminals have moved their crimes online to target trusting individuals from the comfort of their own home. Cyber crime covers many topics from fraud to child sexual exploitation.

Police and Crime Commissioner, Peter McCall, said: "Younger generations are becoming increasingly more tech savvy however this does not mean that they are immune to the dangers of cyber crime. Predators are on our social media and it's our duty as parents to make our children aware of these dangers, what is appropriate to share online and also let them know that they need to let their parents know if they feel that they are talking to someone who might not be who they say they are.

There are several ways to keep your child safe online: have regular talks with them on what is appropriate information and language to share – they should not share any personal information such as their address online. Check that what your child is watching on streaming sites such as Netflix or Youtube is suitable for their age – these sites do have graphic content. Set boundaries and rules: who they can speak to, how long they can spend online and – for younger children – parents having access to

passwords.

It's so important that we understand the risks that come with having an online presence – most of us have experienced scam emails and we all want our children to be as safe as possible when online."

For more information on online safety, visit www. getsafeonline.org/safeguarding-children

Great Results at Silloth School Abbeytown Junior

today's GCSE results at Solway Community School. Although not in normal circumstances their grades recognise the hard work and commitment the students have put into their studies over the past five years and more. It is great to see the students achieving the results they need to move onto their chosen next steps. In particular I am pleased to see students moving on to such a wide and diverse set of destinations; from Keswick and Nelson Thomlinson Sixth forms, Carlisle and Lakes College, the Navy and Army to Gen2 and a host of others. It shows the quality of qualifications they have gained here has enabled them to move successfully onto their chosen next steps.

It is great to be able to mention in particular Rebecca Weightman and Tia Henderson who between them achieved seven grade 9s, seven grade 8s and three grade 7s. An outstanding academic achievement by both of them and comes at the end of many years' hard work.

Alongside this it is with great pleasure to recognise the hard work that resulted in; a grade 7 in Art for Holly Smith, a grade 7 for Jack Harrison in Chemistry and a grade 8 for Ella Baker in History. We wish them and all our students success in the future.

This cohort not only leave

us with a great set of academic qualification but as a great set of individuals. It has been fantastic to work with each of them over the last five years, helping them to grow and develop in a foundational stage of their lives.

It is with some sadness we will be saying goodbye and good luck!

SCHOOL BUS

Abbeytown Junion Football Club Celebrate Grant Award

Football in Abbeytown received a boost today as Abbeytown Junior FC were awarded a grant by the Premier League, the FA and Government's Football Foundation.

The £500 grant from the Foundations Club Preparation Fund will help Abbeytown to prepare their buildings to safely reopen in line with Government guidance around hygiene and social distancing, and The FA's plans for a 'phased return' that were announced on

18th July.
The Club Preparation Fund follows the £7m of investment awarded to 2,900 organisations through last month's Pitch

Preparation Fund, also delivered

by the Premier League, The FA and Governments Football Foundation. This is enabling over 9,000 football pitches to be made match-fit, and is benefiting over 33,000 football teams.

Speaking about their funding success, Carol Harrison, Club Welfare Officer said: "The Football Foundation Grant will enable the club to install sanitiser units and signs

to make our headquarters a safer environment for players, spectators, officials and coaches".

The Football Foundation is a charity funded by the Premier League, The FA and the Government, through Sport England.

School Transport Guidance

Ahead of school's reopening in September, Cumbria County Council has published information and guidance for parents and pupils about arrangements on school transport to minimise the risk from COVID-19.

The full guidance is available at: www.cumbria.gov.uk/schooltransport.

The key messages for pupils and parents are:

- Only use school transport if there is no safe or practical alternative, such as walking or cycling.
- Social distancing will not apply on dedicated school transport.
- Face coverings should be worn wherever possible while travelling, however these will not be provided.
- Hand sanitiser will be provided on board all dedicated school transport vehicles and it should be used by pupils when getting on, and getting off the bus.
- Children should try to sit within their school bubbles on vehicles, but this is not a requirement and will not always be possible.
- Schools may have arranged a seating plan on the vehicle, parents

should ensure their child is aware of this, and follows the school instructions.

Children should not travel to school if they:

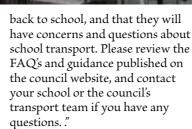

• Are experiencing any Coronavirus (COVID-19) symptoms.

• Are self-isolating as a result of Coronavirus (COVID-19) symptoms or sharing a household, support bubble, or having come into close contact with somebody with symptoms.

• Have been advised by the NHS or local test and trace service to self-isolate.

If parents do not intend to make use of a free or subsidised transport place for their child they should contact school.transport@cumbria.gov.uk providing the name, date of birth and school attended of the child in question.

Cllr Sue Sanderson, Cabinet Member for Schools and Learning, said: "We know that these are uncertain times for families as they prepare to send their children

A full list of FAQ's and guidance regarding school transport is available on the council website.
