

Silloth Vintage Rally

On the 21st and 22nd of June we held our Fourth Annual Vintage Rally on Silloth Green.

This proved to be a tremendous success and an enjoyable weekend was had by the thousands of people who attended. So many people contribute both time and money to this event and found that this year their efforts were well appreciated by the many who came to enjoy the show.

their performance was very professional and

our lovely little town" and would be ready and willing to come here again.

The P.A. System was loaned to us by Mr J Snaith. His friend Chris Wilson did a wonderful job on Saturday entertaining us with his music. Also appearing on Sunday was Dennis Westmorland an accomplished Accordionist and Singer who generously gave his services free. Our thanks to them for their efforts. Also without the electricity supply provided by Mike Blake none of this would have been possible and so our grateful thanks to him.

The show has gone from strength to strength with more exhibits than ever this year. Lawrence Marshall as usual gave a rattling commentary from the stage. (This by the way is always loaned free of charge by another Benefactor, Mr Tony Markley).

Thanks also to all of you who boosted

all I would like to thank the committee who have worked hard over the past year to put on a show that could only be described as great.

Next year we will be looking for new ideas for entertainment and fund raising. If anyone has any ideas to help please don't be afraid to put them to any committee member.

The Winning Programme Number was 259.

These pictures and many more all in colour will shortly be on the Buzz web site: www.solwaybuzz.co.uk.

This stationary engine was sparking

our funds by buying Programmes from our helpers, the Cadets. These boys and girls are so eager and seem to enjoy all they do. Thanks Kids.

As you all know this is a free venue and so any help we get is greatly appreciated by the committee. Last of

This year thanks to a donation from the S.O.S. Charity Shop we were able to bring you the Stockport Childrens Steel Band who played all day on Saturday,

Tip for the Top

Blondes
Do men really prefer blondes?
Do blondes have more fun?

The associations tagged to blonde-ness are often far fetched and

easy to dismiss. When you think a significant one in seven British women choose to artificially lighten their natural hair colour, you start to wonder if there really is something

to this whole fair phenomenon. Blonde can be sexy and bold, cool and sophisticated or scheming and shrewd. It can be a little girl lost, vulnerable and innocent, raunchy and sassy. What ever form blonde takes, it is always noticeable, it always stands out.

There is simply no such thing as a background blonde, so 'Peter Josef' are giving away 'Radiance Blonde Enriching Shampoo' and 'Reflection Blonde Enriching Conditioner' to all our blonde clients absolutely 'FREE' of charge.
