SOSSA Summer Camp

Report by: Mavis Baty
Photos by: Jennifer Bell

Another successful Silloth on Solway Sports Association (SOSSA) Summer Camp came to an end on 20th August.

The weather was mostly kind to us except for one very wet Thursday when we were forced to cancel a Tennis session, which was disappointing as normally a bit of rain doesn't stop things.

The kids played ten days of football, rugby, multi-sports, tennis, and cricket; and if some were apprehensive about the activities they hadn't experienced, they gave them a try and found

they enjoyed them after all.

All the coaches were excellent tutors and made the sessions good fun.

The Sports Association are

very grateful to Silloth Rugby Club for the use of the pitch, and especially for use of the toilets. We would like to thank them enormously, we couldn't have done it without them.

A big thank you also to all the coaches namely: Dave Pearson, Chris Pearson, Phil Codd, Chris Wright, Ricki Sutcliffe, Rob Jefferson, Kris Nichol, David Wise, Olivia Pascoe, Nico Watt, Steven Barker, two Chloe's and the young helpers.

Thank you also to Silloth

Football Club for use of their equipment, and the Town Council maintenance team for providing barriers to keep the kids safe from passing vehicles.

All the committee did a great

job to make the camp a success and the kids had a good time. Hope to see you all again next year.

Autumn is 'the season of mists and mellow fruitfulness' is upon us and all our planning, preparation and planting for this season will be in evidence.

We had great colour from the summer bedding and hopefully it is the same this Autumn/Winter with a colourful display of Winter Pansies.

We have also added Euonymus shrubs to the raised beds and small borders. These will be left to grow a little and then shaped into cones, adding height and structure to these beds. We'd like to thank the Silloth-on-Solway Community Shop and everyone who came to our stall in August for their kind donations which went towards buying the new plants.

Whatever the time of year there is always something to do ... general tidying, pruning shrubs and roses, and making Christmas Wreaths!

We're planning two stalls, on 20th and 27th November, when we will be offering, for a donation, beautiful Christmas Wreaths and a few garlands which will make a great decoration for your door, mantelpiece or bannister.

The wreaths and garlands will be totally compostable, using Dogwood and Willow with fresh

1st Silloth Beavers & Cubs

Report by: Kathryn Shires

During July, we avoided everything to do with the general election and tried very hard to enjoy hotdogs on the green whilst playing rounders on 4th July. The hotdogs turned out to be not very hot as the wind kept blowing the gas out!

We finished the term with a party on west beach when we were joined by Wigton Squirrels, Beavers and Cubs. We dug big holes, made sculptures with sand, stones and shells and finished with

water games where Kathryn, as usual, got most wet!

During the summer holidays, we had a weekend camping by Ennerdale Water using the new tents we have bought with our money gratefully received from the Co-Op community fund. We were lucky enough to pick a rare weekend with great weather and had an amazing time.

The Cubs have been inspired by the beautiful scenery and now want to walk the perimeter of Ennerdale – anyone fancy joining

us?

We started back on 12th September and held our AGM and we are very pleased to welcome Graeme Aiken and Sue Boyd to our trustee board.

Also, many thanks to SOSCS for their generous donation, which we will be using to take the children away to the south lakes in May.

As always, if anyone wants to join in our adventures, children or young at heart please contact Kathryn on 07803 000216

Silloth Ladies Rugby Receive £250 from Co-op

Report by: Thomas Barnes, Store Manager - Silloth

I've recently taken over running the Silloth Coop having previously worked in the Grasmere and Fort William stores.

As a members owned organisation we have donated £250 to Silloth Tigers women's rugby club. They'll use this money for purchases of equipment specifically for the women's game of rugby.

The Coop's community fund donations are open to any local charity/cause that may benefit from some extra funding or stock.

If anyone has anything concerning the shop, staffing, stock etc., please drop in for a quick chat.

Good and constructive feedback is much appreciated and welcomed.

Silloth Parkrun is One! Have You Joined In Yet?

Report by: Olivia Hill

Silloth Prom Park Run turned a year old on the 14th September.

Silloth Prom Park Run is a measured 5km run/walk which starts on the prom adjacent to the tennis courts every Saturday at 9am. Parents with small children (even in buggies) are welcome, as are runner/walkers with their dog on a short hand held leash.

This is a free event with new participants logging into www.parkrun.com where you complete the form which gives each participant a unique registration number and a bar code which is scanned at the finish of each event.

The event is totally run by much needed volunteers and would welcome anyone who had approximately 1½ to 2 hours to spare on a Saturday morning, enjoying the camaraderie of fellow volunteers and participants. Just pop along and speak to any of the volunteers who either marshal/tail walk/hand out position tokens/scan barcodes or timekeep.

This is a community event which has several health benefits.

Ship Arrives During Stormy Seas at Silloth

Report & Photos by:
John Forrester
More coverage of shipping at
Silloth can be found at www.cumbriashippings.com

Local weather took a turn for the worse over the August Bank Holiday weekend when Storm Lilian made its mark on outdoor activities. It coincided with the arrival of the cargo ship SHETLAND TRADER from Germany. Conditions were challenging in the Solway, however the ship was handled with great skill as it entered Silloth Dock. Enthusiasts were not put off by the stormy weather as this resulted in some interesting action photos.

SHETLAND TRADER was making her first call of the year at Silloth with a cargo of wheat from the Baltic port of Mukran.

The ship is often seen in Cumbrian waters with cargos for the timber and construction industries. The ship is owned by a UK company, 'Faversham Ships' and operates under charter to another UK company, 'Cargo Mariners' whose logo was displayed prominently on the wheelhouse. The ship's five day sailing from Germany had taken her on a southern route via the Kiel Canal and English Channel. Once in the Irish Sea she would have been helped along by strong south-westerlies towards Cumbria.

SHETLAND TRADER made her approach to the port on the afternoon tide. Photographers

prepared themselves for the arrival by selecting the best spot to gain shelter from the wind and to anchor themselves to. The worst of Storm Lilian had passed but there was still a heavy swell off the port. Extra care was needed to line up the ship in preparation to enter dock. With a cargo of 2,000 tons the ship was near full capacity which may have helped to stabilise her. Pilot and crew demonstrated masterful control as they slowly guided the ship towards the dock entrance. The captain gave a blast on the horn as he passed by, maybe out of relief to be entering calmer waters. Crew members waved to spectators and appeared to have taken all the excitement in their stride. The ship was quickly unloaded and made ready for departure on the following tide. The coaster is in high demand, and after leaving Silloth continued her UK tour with a call just across the water in Northern Ireland followed by one in Scotland.

Not Just for the Kids

Shipping at the Port of Silloth

Report by: Capt Tim Riley
Harbour Master, Short Sea Pilot

Silloth had a very quiet month with just one vessel call carrying German wheat, The Shetland trader.

Great ship and very manoeuvrable as she has twin Schottel drives, these are like outboard motors bolted to the bottom of the ship and can be rotated a full 360° to give both forward, backwards and sideways propulsion at the same time! Great fun to drive!

Prospects for September not looking much better with the Zapadnyy potentially visiting mid-September and more wheat arriving around the 23rd/24th.

As some of you may have seen, we have reinstated the pipework on the beach and are in the process of washing the sand down to a level we can get ships in over the bank. So far we have lowered overall by over 1m and by the end of the first week in September this should be down to less than 1m above our dock cill and significantly lower in the channel area.

We believe this is a more environmentally friendly way of removing silt from the entrance as we just pump sea water round in a loop and the sand sluices away with the water flow.

Those who have ventured down whilst this is in progress may have observed a rather odious pungent aroma emitting from the area, this

is rotting seaweed in layers under the sand, once buried it begins to decompose and the smell is pretty bad!

The dogs love it and they love eating the seaweed too!

No further update on FoxJackson ports takeover, all quiet on this front.

Have a great late Summer.

THESE ADVERTS REALLY DO WORK!

Activity Grants from New Balance

A new fund has been set up to improve the health and wellbeing of communities through sport and physical activity, thanks to Cumbria-based sportswear firm New Balance's charitable foundation, New Balance Foundation (NBF).

The New Balance Foundation Get Active Fund will award grants to community groups and charitable organisations helping people become more active in under-represented communities.

The fund is being managed by Cumbria Community Foundation. Grants will generally be in the range of £1,000 to £5,000, although one grant of up to £10,000 may be considered.

Caroline Adams, Development Manager for Cumbria Community Foundation, explained the need for the fund.

"Research by Sport England

shows that one in four adults and one in three children in Cumbria are identified as being 'inactive' – which means that they are completing less than 30 minutes per week of moderate physical activity.

"Participation rates are significantly lower among certain sections of society, including women and girls, and Black and Asian children and young people.

"There's overwhelming evidence for the life-changing benefits of being active – from childhood through to old age.

As we get older, regular exercise reduces our risk of illness – from heart disease, stroke, colon and breast cancer to obesity and osteoporosis. Every year, leading an active lifestyle prevents 900,000 cases of diabetes and 93,000 cases of dementia (the leading cause of death in the UK) – a combined saving of £7.1 billion to the UK economy.

"Therefore, we are really grateful to NBF for choosing to create this fund and look forward to supporting groups across Cumbria who keep communities active."

Paola Bethmage, Global Grants Manager at New Balance Foundation, said: "We're excited to work alongside Cumbria Community Foundation to invest in community-led initiatives aimed at improving the health and wellbeing of families and neighbourhoods close to our Flimby factory. To date, NBF has provided more than \$300,000 in grants to organizations in the region."

"New Balance Foundation is laser-focused on changing a generation through our grants to outcomes-oriented programmes and we look forward to embarking on this collaboration with the hopes of making a lasting positive impact in Cumbria."

What is Happening, Why the New Slimmer Solway Buzz?

The first edition of the Buzz was August 2001 and it was started with the intention of supporting the local community and businesses.

The Solway Buzz is and always has been a community paper run as a 'not for profit' operation by volunteers. Despite what many think, nobody receives a salary from the Solway Buzz.

As a community paper all adverts which are also supporting community needs are included in the paper free of charge! This includes the adverts on this page and all adverts on the centre pages

and several others. The costs of running the Buzz are paid for by local businesses who advertise in the paper, some purely to help support their business but also several whose main aim in advertising is to support the Solway Buzz and help it survive.

Unfortunately, during these difficult times, for some they have been unable to afford the cost, while many tradesmen are so busy they have no longer a need to advertise. The tradesmens page used to be 1½ pages but now is a lot less.

That is why this edition is

much thinner than usual, we have had to reduce to sixteen pages from last months normal twenty pages in order to cut costs.

We have also been receiving fewer reports from the community about organisations and events on the Solway Plain.

The Buzz has never charged for articles to be included, yet we are constantly being asked how much it costs to put something in the Buzz, the exception to this is commercial articles where we only publish these from our advertisers; they support us so we support them.

Solway Buzz Phone Book

This section recognises those whose financial help keeps the Solway Buzz going. If you wish to contribute in this way without taking an advert, please contact the Buzz, it costs only £52 a year.

Your Wonderful Buzzing Letters and Poems

Dear Buzz,

Solway Community School staff and students receive their 2024 GCSE results.

We were delighted to see all the students across Cumbria Futures Federation as they collected their GCSE results. This is a landmark day for them and one they will long remember.

With great pride, the teachers, wider staff and everyone associated with the Federation hear of our student's results today and see them moving successfully onto their next steps.

Pleasing results were achieved by many who will now go on to a range of destinations: Jess Hutchinson, for example, worked incredibly hard to achieve her grade 7 in Spanish and will now look to go on the 6th Form to study a range of A-levels.

We are also particularly pleased to see Nicole Scott and Elle Whittaker achieving level 2 distinctions in BTEC Sports. Both of them hope to go on to take T-levels in health-related qualifications at college. Owen Jackson also made excellent progress with his GCSE English and plans to take Joinery at College as his next step.

Well done to everyone at Solway Community School.

Tom Hailwood - Headteacher

Dear Buzz,

On behalf of our family, we wish to thank you for all the assistance given when Hugh collapsed recently.

To Katrina and Michael, who were near and started CPR, to Owen and our first responders, and to anyone else who helped in any way.

This includes the paramedics and all the staff in coronary care and cardiac wards, as we are grateful for the care he received.

He is now recovering at home "a very lucky man".

Thanks again,

Hugh and Joan Scott

October by Sophia Lodhi

Deeply grieved
For the final fall of summer's lovely leaves,
My sad heart dies
With fading greens.

Flames of scarlet...
Crackling bronze:
Form embers of
A divinely broken bond.

The air of dawn
Is hushed and still:
Braced for first frost's
Cutting chill.

Hedgehogs and hazel dormice contemplate
Their sleepy fate, and hibernate;
While skeins of noisy geese depart on
shivering breeze and isobar.

Hedgerow berries: brightest red
Give warnings
Of harsh days
Ahead...

But..... Through autumn's hourglass:
Beauty shines; October spins
In golden blizzards; whipping winds...

And, very soon, those words I write
May find themselves immortalised:
Embedded, not on page, but sheet of ice:
A poem etched in pearl-touched white.

Autumn's Sonnet by Sophia Lodhi

Amber skies glaze Nature's sphere in an autumnal galaxy of gold-dipped shades...
Umber reeds, tipped with bronze, sway in gentle breezes by quiet waters; while,
Tumbling, leaves spiral in freefall, their branches quivering
Under the cooling spell of a turning world, as summer falls in flame.
Merging: glints of ruby, topaz and lime-green peridot aurify the months of September;
October and November in lustrous sunsets and landscapes chilled by change.

FAMILY HISTORY by Judy Rochester

What do we really know of our past?
We half listen to family tales,
Told at bedtime by ageing grandparents
Before their memory fails.

Yet, when they are no longer around
And we too become parents who care,
We feel a deep and passionate desire
To search for memories,
To record,
To share.

Who were our ancestors,
Where did they live?
Were they happy, rich or poor?
What did they eat and wear and do,
Did they ever want for more?

Old books and letters, carefully saved,
Photo albums so full of mystery,
Manuscripts stored in museums and libraries
Offer an insight into our history.

Although now, with a click of a button,
We can research old family tales,
Could our present historical notes be lost
If modern technology fails?

Pride in Silloth by Abigail Buckley

I am proud to be from silloth
With its cobbled road,
And sense of history.

Where you can leave the door unlocked and know your
neighbours, the Solway Buzz is our little papers.
A place where covid made us unite and look after one
and other. We were there for each other day and night.

The historic church which holds so many weddings,
with the Town the backdrop of so many pictures.
Silloth is part of so many peoples special days. But for
its residents its special in every way.

You can have a fairy lunch
And eat a real ice cream.
Try authentic fish and chips on the prom just like in a
dream.

Where the sea gulls sing a sea shanty, in the clean sea
air by the little funfair fair.
You can stay in green view and enjoy the food at Stella's.
Then to the RAFA to enjoy a beer with the fellas

Where the green is open and the rabbits frolic. Dog
walkers let their puppies free down by the water.
When the splash parks open and the children play,
The sound of laughter echos through the pines all day.

The amusements call with their shiny machines, games
to be played and Prizes for all. In winter, spring,
summer or fall.
There are beautiful flower beds that smell so sweet, the
towns people work hard to make it a visual treat.

In winter the lampposts shine, in a techni colour
splendour.
And the festive decorations bring joy to my core.
And Jack frost covers the green with frost.
Go to Mrs Wilson's to help you defrost.

Big fella sits on his bench with his dog, watching The
sunsets, too magnificent to look away.
Its a shame they can't last all day.
The light house shines across the Solway Firth.
Keeping its sea safe, for ships from across the earth.

With so many events on the Calendar: Vintage Rally.
Pride and Carnival. To name a few.
There is always so much for you to do.

Silloth is the place I live. But it is so much more than
that to me.
Its where I went to school, got a job and started my
family.
I wouldn't want to live anywhere else.
To me, silloth is the best. Silloth pride.

Silloth Veterans Win the League Cup Again!

Report by: Colin Baty

On Friday 6th September 2024 Silloth Veterans played Northbank in the NE Premier Division League Cup Final at Frenchfields, Penrith.

Silloth started brightly and from the off Michael Riding hit the post. And around twenty minutes Jonny Studholme opened the scoring for Silloth but almost immediately after a drinks break (the only one required all summer) Northbank equalised and they got a grip on the game for the next ten minutes. But Silloth managed to keep composure and Jonny got his second goal before half time to give Silloth the lead 2-1 until half time in what was a very even game.

The second half started with the same eleven, and both teams played some good football with Northbank missing a good chance,

this proved to be decisive as Jonny got his hat-trick with a deflected shot to give Silloth a bit of breathing space and 3-1.

Thereafter Silloth went up the gears and Mike Riding got in on the act scoring two goals and Jonny getting his fourth to make it a convincing 6-1 win. A truly epic performance in the second half and Silloth retain the League Cup from last year.

It's been a tough season and the squad has been decimated with injuries to a lot of players - hopefully next year will be more fruitful in the league and Silloth can mount a serious challenge in the League as well.

Team: Ben Gray, Trevor Dowell, Phil Green, Dan Jeffrey, Alan Inglis, Mally Graham, Gavin Brough, Anthony Wright, Dan Martos, Jonny Studholme and Mike Riding.

Subs: all used Gary Pearson, Ryan Housby, Adam Steel, Gareth Lewis and Phil Scott.
