

### Silloth Christmas House Lights Winners

Runners Up - the Wood house in Fell View

Second Prize - the Irwin house in Skinburness Road

The Winner - the Parker house in Holiday Crescent

Congratulations are due to not only the five households who were awarded in the Silloth

& District Business Associations Christmas Lights competition, but also to the many others

who put on such a welcome display. Please keep those lights on as many will be

coming to have a look before the year is out.

The grateful thanks of everyone must also go to Bill Amyes, without his efforts Silloth would not have festive lights on the streets.

Well done everyone.

A demonstration of floral arranging

based on the carols created a selection of floral displays, the Angel Display shown represents when "the
