Sunny Silloths Summer Entertainment

What a wonderful summer season Silloth-on-Solway is going to have this year, we are so lucky to have events galore in this beautiful area of the Solway coast.

One of the biggest is Silloth Beer Festival in September, a four day event centred on a marquee on Silloth Green where the joys of 75 wonderful beers are enhanced by an exciting selection of music. The highlight this year is an evening of powerful music by the legendary Dr Feelgood who has made

Silloth the only North of England venue on his European Tour.

Before that we have meetings by the Solway Autograss club each month on Silloth Airfield. In early June the annual Silloth Trawler Race takes place, followed the next day by the popular Abbeytown Road Run. In the middle of June, Silloth Vintage Rally is held on the Green over two days and at the end of June and into July we have the Silloth Festival of Art.

At the end of July the Wood sisters are holding their Art Display, the proceeds of which will as usual be donated to Silloth Carnival which is on the 30th.

Paul Campbell

Karaoke Competition

The latest winner of the Rugga Club Karaoke Competition was eight year old Paul Campbell with his own version of the Elvis classic, Return to Sender.

Paul is one of 75 members of Silloths' newest youth club. Now nearly one year old the Rugga Club is going from strength to strength.

There will be various other events planned this year to keep the kids occupied and happy.

Stanwix Park says thank you

The cabaret show "Faith" entertain the guests

When Stanwix Park Holiday Centre at West Silloth decided to go ahead with a total rebuild of their Sky Bar and Dunes Cabaret Bar facilities, they knew it was going to be a tough job to have everything open in time for Easter.

With the support of a large team of local contractors this

total refurbishment was completed in an amazing 14 weeks, so in appreciation of the tremendous effort put in by everyone, the Stanwix family decided to test the facilities with a fantastic thank-you party.

In addition to the contractors, many local businesses were also

invited to enjoy the facilities.

After a fantastic buffet everyone was entertained by three hours of very professional cabaret.

This started with Stevie D's Next Generation, a very slick and energetic dance show. Next up was Jimmy McLean with his enjoyable mixture of comedy and singing. The evening was finished off with a glitzy Las Vegas style cabaret show by Faith.

The adjoining Sky Bar is a contrasting haven of peace where you can relax by the fireside, play pool or darts, or watch the new Plasma TV's
