Refreshments will be available for further details please contact Karen on 01900 881353.

Swing Low Sweet Chariot

Holm Cultram Abbey Primary School was specifically chosen from a host of other schools across Cumbria to perform a dance composition at The Ace Dance Festival held at the Sands Centre, Carlisle on Friday the 19th March.

Their performance was to celebrate England's Rugby World Cup victory and was aptly named "Swing Low Sweet Chariot". The school had fierce competition but was picked in order to reflect the range of schools that applied to perform at the festival.

Miss Robinson, teacher of Year's one and two at Holm Cultram Abbey said the festival had been a chance for the five and six year old to express their recognition of their country's sporting achievement. She then went on to say,

"We at Holm Cultram Abbey are extremely honoured to have been chosen to represent Cumbria Schools at the Sands Centre. The children were all very excited about their debut despite being the youngest pupils present and their performance did us proud".

There were nineteen schools participating in the Ace Dance Festival organised by Cumbria Dance, each of these performed pieces that reflect a range of topical themes and issues. The evening was a huge success and fun was had by all.

Hearts of Oak

L-R: Tony Markley, Fausto Previtali, Charlie Harrison, Jimmy Watson, Jim Aird, Chris Puxley, Margaret Snaith

Report & Photo by: Geoff Betsworth

The members of the Rotary Club of Silloth-on-Solway recently celebrated a major step forward in their scheme for a commemorative Oak tree on The Green in Silloth. When Mayor

Margaret Snaith performed the planting ceremony on 1st March, she told President Chris Puxley "I feel honoured to be asked to officiate on behalf of all of the people in Silloth who have benefited over the years from the good acts of the Rotary organization". Although Rotary International does not actually celebrate it's Centenary until 2005, it takes considerable time and effort to get a

scheme of this nature from concept through to fruition. Project coordinator Charlie Harrison has had his work cut out in recent months, as the scheme had to be approved by the Council, and that obviously does not happen overnight. As Charlie pointed out "It is important to plant a young Oak tree at the right time of year, and we wanted to source it from a reputable supplier."
