

Solway Autograss Club

Sunday 25 April the racing proved to be very interesting with the first round of the Men's National qualifiers being held. This meeting involved drivers from the entire Dales league. We had an excellent turn out of drivers, not only the Dales league but other drivers from down country as well. Two heats were run involving all classes wishing to race in a hope of making it through to the Nationals which will be held later over two days at the end of July.

SL61 John Hooper from Workington

Final results for Solway drivers 1st place Class 2nd Arthur Cunningham heat 1 and 2, Class 5 heat 1 and 2 Mark Cowperthwaite. Class 3's Dan Jennings who has recently changed from a mark 2 Escort to a Peugeot 205 looked to be going well with a good second place in the qualifiers. However things didn't go quite as well for him in the second heat. The track was now starting to throw up dust and as Dales driver Kev Bowes got a good lead from the rest of the field sadly Dan struggled to see as he came out of the bottom corner and his somewhat pristine car took a good battering as he went through the

posts on the far side of the track. Sadly for Dan that put the rest of his days racing on hold, with rather a lot of bodywork needed to be worked on before he could race again. No doubt he will be spending a lot of after work hours in his garage if he wants the car to be ready for the next qualifying round to be held at Yorkshire Dales home track at Kipling. Next came the usual racing on a somewhat rather dusty track. Problems with the

water bowser brought racing to a halt until a very kind farmer lent us his bowser. As time was getting on it was

SL2 Richard Lewthwaite from Whitehaven chasing YD501

decided not to hold the usual Men's Solway Open race. Apart from Dan taking out the odd post the only other mishaps were a few cars getting a nudge. Maryport brothers Michael and Mark McIntosh with their newly prepared Toyota

Corollas didn't have quite as good racing as they had hoped for, never mind lads there is always next time. Junior Rebecca Hadden had an excellent race in her first heat, leaving the start line in second place well ahead of the boys.

DAWN & DANEIKA TAKE COUNTY TITLE AS SUN SHINES ON SILLOTH'S PLAY TENNIS DAY

Report by: Ricki T. Racket

Dawn Graham has good reason to celebrate after her success in the county section of the national under 11 junior club league at Windermere. Playing alongside guest player Daneika Borthwick from Scales Dawn displayed her usual prowess around the court and the pair proved that they will be an excellent doubles partnership for years to come as they swept aside the collective might of the south lakes teams. They now go on to represent the club at national level and we wish them the best of luck.
The weather proved to be lucky for the club

as well as our first ever Play Tennis Day turned out to be the hit that we hoped it would be as over 60 people attended what is now going to be an annual event. With the speed gun and ball machine in use, another go at the Bounceathon, a "big un/little un" mini tennis tournament and various quizzes, raffles, word-searches and colouring competitions along with food for everyone it turned out to be an enjoyable and successful day.
Our thanks must go to: Fiona, Lorraine, Sharon and Kim, Scott & Chris Whittle, Nicky & Jamie Longcake, Ricki Sutcliffe, Margaret Snaith and everyone that donated prizes for the raffle.

Winners on the day were:
Fastest Serve: Ricki Sutcliffe
Mini Tennis Tournament: Emily Wise & Scott Whittle
Runners Up: Robbie & Angus Harrison
Quizzes: Georgia Hoodless & Dawn Graham
Colouring etc: Katie Smith, Roy Bervoets, Lisa Bervoets, Hannah Story

front the battle was with Mark Little and Ryan Young who gave us some good racing. Mark finally won the race to the line to get second place.

Class 4. With no SL cars in this class it made a change to have some Class 4 racing from the YD cars. YD25 Andy Nesbitt won the race.
Class 5. Martin Goth also got a black flag for accidentally knocking a Dales driver.
Class 6. YD147 John Tully won with former SL driver WR106 David Widdup coming second.
Class 7. SL2 Richard Lewthwaite continued to have problems with his big cat.
Class 8. SL14 was last on the first lap, however with his skill and knowledge he passed all the others on the final lap to win.
Class 9. SL50 Steve Hartley managed to keep ahead of SL8 Richard Telford who struggled all day.
