

## Holme St. Cuthberts Fancy Dress & Sports

There's fun for all ages in Holme St. Cuthbert Church Hall

Report by: Jackie Strick

On Saturday 19th June we were not so lucky with the weather, we moved to the church hall to avoid the rain. However we still managed to have fancy dress and some games.

Yet again the fancy dress was well supported and Mr & Mrs Norman Wise were left with some difficult choices. After the decisions were made and the ice-cream had been eaten we followed on with the revised programme of sports and games, including musical mats, bean bag race, egg and spoon (bat and ball) which everyone including the spectators enjoyed.

The day was rounded off by refreshments provided by the committee.

## The 2CV's are Coming

Last year during the Silloth Beer Festival, you may remember seeing a number of old Citroen cars in Silloth. This was an event organised by the "Lancaster Bombers" (2CV/"A series" Club) who are part of 2CVGB (the Deux Chevaux Club of Great Britain).

They will be running the event again this year during the beer festival (10th - 12th Sept) and again they will be camping at the Solway Holiday Village. If you see them, give them a wave, they are very friendly!

The photo shows some of their cars with the Silloth Lifeboat. Last year they donated the proceeds of their raffle to them.

For more details contact 2CVGB, PO Box 602, Crick, Northampton, NN6 7UW or go to: [2cvgb.co.uk](http://2cvgb.co.uk)

## Drawing of Christ Church

A while ago Christ Church asked pupils at the Primary School to provide pictures of the Church for use on the cover of the Parish Magazine. For July a drawing by Stephanie Enderby was chosen, however there was a problem printing it and it could not be seen. The Church have apologised to Stephanie and asked the Buzz if we could print it so that everyone can enjoy her artwork properly.

## Charlie's Building a School

Charlie Harrison outside his shop - Oakleaf Hardware

The motto of Rotary International is 'Service above Self', and Rotary clubs fund and support humanitarian projects all over the world providing education, food, medicine, etc. for those in need.

Silloth Rotarian Charlie Harrison is carrying that tradition of service even further and is going to make a personal contribution to the needs of the third world. Charlie will be travelling to Jinja in Uganda to join a group rebuilding a devastated school. He is the only Cumbrian on the sixteen strong team.

Charlie is happy to donate his time and skills for nothing, he is also paying for his own travel to Uganda (about £900). He does have to find sponsorship to fund his share of the building materials to help fund the project. He requires sponsorship to raise another £2,000.

Uganda is still suffering the effects of their protracted civil war and proper education for children is a very positive move towards the future.

Please help to fund Charlie with this very personal effort. Send all donations to the Rotary Secretary: Geoff Betsworth, Little Acre, Skinburness Road, Silloth, CA7 4QH. £2,000 is a lot for the people of Silloth, lets all pull together on this one, send a donation now. A report on Charlies' progress will go in to a future edition of the Solway Buzz.
