

Silloth Ladies Night

Silloth Ladies Know how to Party

Friday the 30th of July was a great night out for ladies in Silloth with the Silloth Ladies Club meeting to have a ladies night at the Rugby Club. Christine and Nicola donated the buffet for the evening and the entertainment was provided by Glen from Andy Park Promotions in Carlisle - who really made the evening go with a bang! I can't remember laughing so much at one entertainer!

Ann Summers was also on hand to promote the latest accessories - talking of which - Jean from Ann Summers has been on the phone asking if anyone has found a Purple Pocket Pleaser in their handbag which may very well have fallen in by mistake, it is the size of a lipstick and I have decided to offer an amnesty for its safe return through the letter box of 18 Fell Close at some early hour in the morning if possible - so ladies have a look please just make sure its not switched on when you put it through the letter box. (I could not help but giggle when Jean called me to inform me that it was missing from her demonstration stock).

The Gentleman Entertainer had a totally amazing dance routine that made your eyes water and a body that dripped in lotion, and well, I can't really say any more but I think every woman in there enjoyed "Steam" who travelled all the way from Leeds to entertain us - HE WILL BE BACK!

There was a lot of noise in the room when I got dragged on stage and thrown around by Steam - I had forgotten about it the next day and wondered why I had a problem getting out of bed in the morning with stiffness - I have to say ladies I enjoyed every minute of it and I really hope you all enjoyed it too!

Local Businesses donated fantastic prizes for the raffle, which, although painful, was amusing - especially Glen's reaction to the donation of a bag of fertiliser from Carr's which was hilarious.

If you have won a prize and for one reason or another have not got it please contact me. (Please call me on 01228 527676 or 016973 32590)

I would like to organise bus trips to Carlisle and Workington as well as other nights

out for couples to raise money for the lifeboat station - I won't be doing any raffles next time as the local businesses have been generous enough for this event, just adding on to the price of the tickets, so if you have any suggestions please let me know.

I am hoping to put on a proper Dinner Dance with posh frocks for the lifeboat in the Autumn so please get your tickets quick - Palm Springs will be entertaining for the evening as well as others so its sure to be a great night out.

To date the money raised stands at £403.91 and one key, which found its way in to the bucket so if my mother collared you on the way in and you are missing a key after emptying your pockets please call me. There is money to come in from Ann Summers.

The star prize of a DVD player was won but would the winner please contact me, as I don't have your telephone number to arrange your presentation at the lifeboat station.

A huge thank you to everyone who helped me to organise the evening - The other female members of the crew on the lifeboat Sandra and Natalie, Annetta from the first responders, mum (Fiona) and Lesley Hope for selling the raffle tickets and generally keeping me calm when everyone had arrived and we had no DJ or entertainment and Helen Holden and Diane Graham for assisting with the draw. The Buzz for the advertising kindly donated - thank you Peter. Susan Brown for being so supportive and every woman who came or bought a ticket.

If you are interested in joining the crew of the lifeboat please come down to the station on Sunday mornings at 10am and meet the crew. You must be physically fit, pass a full medical and eye test, and be over 17. Or indeed if you would just like to get involved with the social events that are to be planned for Silloth Ladies in the future, I could do with setting up a committee, etc. all good fun nothing too heavy!

The money will be given to the following:
Silloth Lifeboat Station
Silloth First Responders
Silloth Rugga Club
Silloth Bulldogs Club
Silloth Macmillan Nurses

The winning team of away drivers

At our race meeting on Sunday 8th August the Great North Air Ambulance visited us at our track on the Old Airfield at Silloth. Also, in our dinner break, we had a sponsored truck pull to raise money for the GNAA fund. We used two trucks loaned to us by Markley Transport and Viv Lightfoot Transport.

A team of members from Solway Autograss Club competed with a team from the visiting clubs Yorkshire Dales, Whiterose and York. It was a close race and the visiting drivers won it.
