

Police Report

Report by:
Inspector Dave Barr

Two items of note, the first was Solfest.

This has gone off very well. We are told almost 2,000 people visited the site during the weekend. There was a problem on the Friday night when some tents were entered and money and personal possessions were stolen. The stewards increased patrols around the camp site and there were no further reported incidents. There were no arrests for disorder at all on the site. On Saturday night some youths were throwing objects on to the event field. The belief is these were locals. This was dealt with by the stewards. Uniformed and plain clothes officers did visits to the event.

Action is being taken to deal with people riding motorbikes and quads along the shore. So far officers have mounted two operations both of which were successful: on Saturday 14th August an 18 year old Silloth man, was captured on video riding a motorcycle. He was positively identified from the footage, traced and reported. On Sunday 22nd August a 26 year old Carlisle man, was similarly caught on video riding a motocross bike. He was stopped at the scene and reported for offences. We will continue to target this sort of behaviour as we run into the autumn.

Abbeytown Flower Show

The village hall was transformed for the day by the artwork of the school children. They made a wonderful background for the almost 300 entries in the show. Mrs Jessie Ostle presented Mark Beaty with the childrens cup for gaining most points. George Garner won the vegetable cup while his wife Freda Garner won the preserves cup and Flower cup. Elinor Roper won the handicraft cup and Barbara Hurst the baking cup. The cup for most points overall was won by Freda Garner by one point over Elinor Roper.

Charlie Harrison

Many Buzz readers will have spoken to Charlie Harrison following his trip to Jinja in Uganda to help rebuild a school that had been destroyed by civil war.

Charlie has a lot to tell and he is keen to do so and to that end he is in the process of putting together a presentation that will explain the project and his part in it. He has also promised an article and photographs for the Buzz.

The Rotary Club would like to express its gratitude to all who gave so generously to the appeal.

Digger on the Green

Those who attended the Carnival will have seen the Rotary "test your skill" mini digger attraction. The idea was to place a tennis ball (which was suspended from the jib of the machine on a length of string) on top of a traffic cone.

This lad is NOT the winner Photo by: Geoff Betsworth

The best time was achieved by an 11 year old who achieved the task in just 19 seconds! A total of £139.00 was raised for Rotary charities. The Rotary Club would like to thank Tony Markley for the loan of the mini digger and Raynor Fletcher for the security fencing.
