

## Hole in One

12 Year Old Oliver Tallontire

Twelve Year old junior golfer Oliver Tallontire is celebrating his first ever 'hole in one'. The talented golfer was playing with two friends at Silloth Golf Club and confidently struck a nine iron onto the 9th green, only to see it pop into the hole on its' second bounce. What a great shot from this very promising golfer.

When Oliver stopped jumping for joy his two friends, Blain Clorley and Jack Proudlock congratulated him. The usual celebration for anybody who gets a hole in one is to head for the 19th and have a drink. Oliver duly obliged with cokes all round.

Well done Oliver, everyone hopes you have many more.

## Silloth Football Club

### Silloth Football Club Awarded F.A. Charter Standard

Silloth Football Club has been awarded the F.A. Football Charter Standard. This prestigious award is good news for the clubs' future, allowing us to develop and access much needed funding.

We can now go forward with plans to upgrade existing facilities, including plans for a new clubhouse with leisure facilities, all weather pitches and floodlights.

There are nearly 100 children aged from under 7 to 15 training with the club, including two girl's teams.

All teams have started the season well and hopefully will bring home some trophies this year, but the main emphasis is on providing exercise and enjoyment of the game.

We still need to recruit volunteers to help at training sessions and anyone interested in doing a football coaching Level One course should contact the football club.

## Silloth Rugby Club Development Squad

Eight of the Squad taking a rest

Silloth Rugby Club are pleased to announce the launching of its' development squad which is now training once a week to start with. It is going well under the guidance of Silloths' first team coach, Jimmy Lettice, and the 14 to 17 year olds are having a great time.

Jimmy is trying to

make training enjoyable and educational. Training is on a Wednesday night from 5pm to 6:30pm, all welcome.

There is a lot of sporting talent in Silloth and it simply needs developing. The development squad is open to all lads in the area in preparation for 1st team rugby.

## Silloth Rugby Club Golf Masters

Kenny is the King of the Greens

Silloth Rugby Club Golf Masters was won by local lad Kenny Jefferson with a brilliant score of 46 points. He pipped Jim Blake on the back three count back, with Wigton's favourite, David Lightfoot a close third. Over 28 competitors took part playing on Cumbria's Finest golf course.

Kenny has put his success down to a lot of hard work and practice on the putting green in

his back garden. He has been guilty of tweaking about with his swing of late, but decided to go back to basics and slow everything down a bit.

"It might be a bit frustrating for those playing with me or those stuck behind me, but I am looking after number one and am reaping the rewards, Sundays victory was a brilliant achievement considering I was struggling with a wrist injury".

Brothers Robert & Stephen Lightfoot of Viv. S. Lightfoot Bulk Haulage are pictured here with the Silloth A.F.C. under 11's in their new strips. The brothers kindly sponsored the team for the forthcoming 2004/2005 season.

Stephens' son Carl has played for this team for the last four years, and the brothers' thought of sponsoring the team as a way of saying thank-you to the Silloth club. They provide a valuable outlet for young children to get involved in sport.

They also wanted to put something back into the community that has served their thriving Haulage Business so well!

Silloth A.F.C. would like to thank Robert and Stephen for their kind sponsorship and hope our under 11's do well this season in their new strips. It is a reflection of the close relationship Silloth A.F.C. has with the community that local firms such as Viv. S. Lightfoot Bulk Haulage are willing to sponsor various football teams.
