Allerdale Mayor Visits Silloth Rugby Club

Report by: Jimmy Lettice

In response to an article in the Solway Buzz, regarding the desire of the Mayor of Allerdale to visit and meet as many local volunteer groups as possible, Silloth Rugby Club invited him to visit and meet a couple of the committee members to get an insight into what we have to offer to the community.

The mayor was greeted by Club House Chairman Jimmy Lettice and Past Chairman Dick Edwards.

We gave him a bit of the history of the club, founded in 1880 this is our 125th anniversary.

He took special interest in the old photos we have in our club showing players from past and present. We explained we are in the community for the community, our premises are open for use free of charge to any group or organization in the area and that we now have the support and backing of the town council.

Our club has many functions, it is primarily a Rugby Sporting Club but can be used by

L-R: Jimmy Lettice, Mayor Derek Thompson and Dick Edwards

one-and-all as a type of community hall.

The Mayor was then given a tour of the club, the lounge area and bar, the changing rooms are under refurbishment and nearly finished. We are a not for profit club, so we explained the need for grants and funding from outside agencies, without these grants we would have

a shabby old clubhouse which nobody would use. Then we looked at our biggest asset, our pitch. This is one of the best in the county. He was impressed by our set up, our enthusiasm and he wished us well for the future and promised to let people in Allerdale know about us.

For us the visit was very worthwhile and

encouraging. Small volunteer groups rely on a few dedicated volunteers to keep things going for the next generation and rarely get any official recognition or thanks for all the hard work that entails. Having prospered over 125 years it is our duty to work towards an even stronger club at our 150th anniversary.

Carrs Milling Bowling Tournament

The winners - John, Joyce & David

The winners of the 2005 prestigious Carrs Milling Bowling Tournament' was a resounding victory for the terrific trio of Joyce, David, and John.

The Carrs annual bowling day out goes from strength to strength with over 60 staff taking part, competition was stiff with stars like J.J. Graham and Dogie

Pape, Susan Creighton was looking dangerous. Neil Garner and Barry Hardman kept the day alive with their one liners. A special mention must go to the winner of this years booby prize. Alan Henderson had a disaster of a day but still enjoyed it. Apparently Alan used to keep the mill running on his own! Now retired, his

understudy for many years Gordon Graham does his job.

A big thank-you to Ben Clarke for hosting the day on behalf of Carrs Milling and the caterers for the day, the Skinburness Hotel.

The day was a success and a great get together for all those who work for Carrs Milling and Robin Pegram.
