## Sponsored Bike Ride Raises £8,000 for Infirmary

Report by: Judith Williamson

Above: Running repairs on Skinburness Green

Over 20 members of the Harrison family did a sponsored Bike Ride in August which was reported in the September Buzz as having raised £5,000, this has now increased to £8,000 for the Cumberland Infirmary Intensive Care Unit.

We raised the money in appreciation and as a thank you for the wonderful care they gave our brother Willy after the tragic accident which claimed the lives of our Sister Liz and Brother Steve.

Without the constant care and superb equipment, Willy would not have recovered from his terrible injuries and we will be eternally grateful to all the staff in the Cumberland Infirmary Intensive Care Unit.

We would like to thank everyone who took part in the Bike Ride and a special thank you to everyone who sponsored us and helped raise this fantastic amount. Our main sponsors were Associated British Ports, Jon Jo O'Neil racing, Toni & Denise Markley, Carrs Fertiliser Ltd, Cropwise, Askham Oil Supplies & Stan Palmer. Our family is overwhelmed by the local community's kindness and support.

Graeme Harrison, Judy Williamson, Maggie Harrison, Sally Harrison and Willy Harrison presenting the cheque to staff nurse Jill Kielly, staff nurse Yvonne Tilley and matron Chris Platten

We would also like to thank Ronnie Carr and Border Hound Trailing Association who held a Hound Trail and raised £404 for the Intensive Care Unit.

The Money raised will buy a much-needed Transfer Monitor to be used in the Intensive Care

Unit.  
The transfer monitor can travel with a patient. It allows staff to continually monitor patients if they need to be moved for x-rays or for further treatments or transferred to a different hospital.
