Lent Lunches Thank You

Photo by: Bill Allan

During the Lent Lunches held in St Andrews hall the Rev Alan Byron presented a bouquet of flowers to Mrs Edith Kerr. This was a thank-you for the help given to Christ Church over the past few months in arranging the use of St. Andrews Hall while their Hall was being decorated.

All Silloth area Lent lunches were held in St Andrews Hall on Wednesdays with a good variety of soups and fresh rolls being supplied by the following churches, United Reform Church, Christ Church, Evangelican Free Church, Methodist Church and Roman Catholic Church.

Did You Know?

Supplied by: Mike Faulkner

In English pubs, ale is ordered by pints and quarts. So in old England, when customers got unruly, the bartender would yell at them "Mind your pints and quarts, and settle down."

It's where we get the phrase "mind your P's and Q's."

What is the only food that doesn't spoil?.....
Honey.

In Shakespeare's time, mattresses were secured on bed frames by ropes. When you pulled on the ropes the mattress tightened, making the bed firmer to sleep on.

Hence the phrase.....
"goodnight, sleep tight."

It was the accepted practice in Babylon 4,000 years ago that for a month after the wedding, the bride's father would supply his son-in-law with all the mead he could drink. Mead is a honey beer and because their calendar was lunar based, this period was called the honey month, which we know today as the honeymoon.
