HMS Biter re-visits Silloth

Report by:
Chris Puxley

During the weekend of 31st March to 2nd April, the Royal Naval patrol craft HMS BITER paid a visit to the Port of Silloth during her Spring navigational training cruise of the north west of England and western Scotland.

HMS BITER, built at Shoreham in 1985, is an "Archer" class fast patrol and coastal training craft, attached to Manchester & Salford Universities Royal Navy Unit since 1992. She forms part of the 1st Patrol Boat Squadron (1PBS), tasked by the Commander in Chief Fleet. She is the fifth Royal Navy ship to bear this name, the previous vessel being an 8,200 ton escort aircraft carrier which saw service during the 2nd World War.

Based at Brunswick Dock, Liverpool, the current HMS BITER with a normal crew of five regular RN personnel, provides a practical opportunity for up to 12 university undergraduates to experience life at sea

with the Royal Navy.

Arriving in glorious sunshine at Silloth on Friday 31st March at 2pm precisely, she smartly took up her allocated berth in New Dock. The ship held a small reception on board for guests that evening. Unfortunately the good weather on arrival did not last and the reception held in the wheelhouse was cosy to say the least!

Saturday was a day of sunshine and a few showers, during which the ship was open to the public between 11am and 3pm. Members of the ship's company escorted visitors around the craft, explaining the intricacies of life on board. Other attractions were provided by RNLI volunteers, who had a souvenir stall alongside

the BITER and staged a display in the dock with Silloth's high speed inshore lifeboat SPIRIT OF CUMBRIA. The water-borne contingent was supported by the Nith Rescue Boat, which crossed the Solway from Glencaple, the Brough-by-Sands Coastguard rescue boat and Silloth Lifeboat Station's own training boat (an ex "D" class inshore lifeboat).

The BITER sailed from Silloth on Sunday at 3pm precisely, with her next port of call being Troon, on the Clyde estuary.

This was the second annual visit to Silloth by HMS BITER and it is expected she will call again next year. Many thanks are relayed from the ship's company to all those in the town who made them welcome.

Changing Telephone Numbers

Allerdale Borough Council's telephone numbers have changed.

As part of the Council's drive to deliver better services, the current telephone system is being replaced with a new system. This will be able to link all of the Council's offices together on one network, regardless of where the offices are located, saving money on phone calls.

By providing information about busy periods and how many callers don't get through on the first attempt, the new system will also help the Council to target resources more effectively and increase customers' satisfaction.

Councillor Phil Tibble said: "This is another example of the Council's investment in new technology. The new system will allow better and quicker access to Council services and a speedy, more efficient way of working. Our joint procurement of this system with Carlisle means that we have also saved money." The new general enquiries number for Allerdale Borough Council is 01900 702702.

Tip for the Top

Fine and Thin Looking Hair

You may be surprised to know that 50% of women in the U.K. have fine or thinning hair. We all lead increasingly stressful lives, take more medication and go on crazy diets. These are just some of the things that cause our hair to thin! In addition, pregnancy, thyroid problems, chemotherapy and ageing may cause hair loss.

The common mistake is to treat the hair, when the problem starts in the scalp. What you need is skin-care for the scalp that cleanses and nourishes the scalp and helps to create the best possible growing environment for stronger, thicker and healthier-looking hair. You also want a product that will add body and volume to fine hair leaving it vibrant, shiny and manageable.

Shop Owner Prosecuted

The owner of a long-term empty and dilapidated shop in Workington has been successfully prosecuted by Allerdale Borough Council for a second time.

David McAllister, who is the owner of the property at 75 Corporation Road, Workington, was prosecuted at West Allerdale Magistrates Court on 20th September 2005, for failing to carry out a schedule of repairs and restoration within 90 days following a notice served by the Council under section 79(1) of the Building Act 1984. At that time Mr McAllister was fined £100 and ordered to pay £75 costs.

At the original hearing in September it was noted that for

several years, following complaints from local residents and representations from a ward councillor, two officers of the Council, had been trying to persuade Mr McAllister to take action to resolve problems being caused by the dilapidated building.

Despite planning consent to convert the redundant shop into a dwelling Mr McAllister took no significant action to renovate or remove the building and its appearance on the streetscape was considered to be seriously detrimental to the area, blighting the locality. Following the failure of the owner to respond to informal pressure a statutory notice was served upon him under Section 79 of the Building Act 1984

requiring an owner to deal with a "ruinous or dilapidated" building, either by renovation or demolition. This did not happen and, rather than prepare to carry out direct works in default as with other similar properties, the decision was taken to prosecute the owner.

However following the prosecution and despite a further meeting and reminder letters, the vast majority of the works were not carried out to the property.

On 4th April, West Allerdale Magistrates Court found the case against Mr McAllister proved and he was fined £500 and ordered to pay £75 costs.

Mr McAllister failed to appear at the Court and the case was heard in his absence.

Local Children Open New Look Co-op After £100,000 Revamp

Local children took on star status when they performed the ribbon cutting ceremony to officially launch the new look Co-op store in Silloth, which has been transformed with a £100,000 revamp. The pupils of Silloth Primary School were presented with a donation of £200 for school funds by store manager David Nicholson to mark

the occasion. "As a community retailer it is appropriate that we involve the community in our special events and we are delighted that our local school is playing a central role in the re launch of our store," said

Staff L-R: Laura van Rotterdam, Kim Wise, Annabel Wannop, Manager David Nicholson, Julie Wood, Jean Mounsey, Avril Walker. School L-R: Hannah Smith, Adele Wood, Emily Wise, Phoebe Garrett, Luke Graham, Scott Garrett, Kieron Carr, Paul Campbell, Isabella Kerr, Poppy Rumney

David.

The Co-op has been converted to the retailer's latest Welcome format and is transformed with modern decor, a more shopper friendly layout, new fixtures and fittings, and a wider choice of

goods.

"The Co-op provides a much valued service in the neighbourhood and this investment in the area endorses our commitment to serving the community with the best in modern shopping

facilities" added David.

The store's emphasis is on fresh foods with the range increasing by 25%. Chilled beers and wines and a greater selection of convenience meals are also available. As the leading supermarket

supporter of Fairtrade, the Co-op's Fairtrade products feature while the store also carries the consumer-owned retailer's own health and beauty range with products that are not tested on animals. "We

are delighted we can now provide our many loyal shoppers with a smart, modern store, comprehensive range and a much enhanced service which will better meet the needs of the community," said David.

Does your conservatory need a clean?

WHAT OUR CUSTOMERS SAY

"From my initial phonecall to him leaving, the service was superb. He turned up on time to price the job, had all the specialist gear - a very professional service."

Mr J Harker

"Our conservatory has been up for three years and it did have a little algae on top. Michael did a lovely job and after you've had yours done you notice other peoples."

Mrs Renny

A complete affordable exterior conservatory cleaning service using specialist access and cleaning equipment that will leave your conservatory looking like new.

A CONSERVATORY is an excellent investment, increasing the value of a property far above its cost and when looked after properly, it will last for years. But if it isn't cleaned properly, there could be problems - and that's where ConserVClean comes in. Michael McFarlane could not find anyone to clean his own conservatory, so he started up ConserVClean which has been growing ever since.

Most work has come via customer recommendations. The company is fully insured and uses specialist cleaning and roof access equipment. The system can extend the life of a conservatory and also helps to prevent potential leaks and algae growth.

"Conservatories cost on average about the same price as a family car," says Michael. "Proud car owners wash and wax their vehicles and spend hundreds of pounds a year maintaining them. But you only keep a car two or three years, and you lose money on it."

"A conservatory costs thousands too, but it will last a lot longer than a car, and it's an excellent investment if it is properly maintained. It's only common sense to keep it properly cleaned."

"Wet weather and bird muck can contribute to the decay of a conservatory. If conservatories are not maintained, they become dirty and green algae forms possibly feeding on the rubber seals," says Michael. "Algae can grow within key joints which if left untreated may leak and the value of the conservatory may fall unless expensive repairs are performed. This need not happen if the conservatory is regularly cleaned." Powerwashers and normal cleaning brushes can damage seals and scratch polycarbonate roofs, making good homes for dirt. For a fraction of the cost of maintaining a car, ConserVClean will increase the looks, reduce

problems, prolong the life and value of your conservatory.

Trying to sell your house? Make your conservatory immaculate.

Let in more light! Even a thin layer of dirt on the roof can greatly diminish light filtration.

Prevent problems. Cleaned once or twice a year, your conservatory will be kept in good condition and you will get maximum benefit from it.

No more unsightly green moss on your lovely UPVC frame or grime on your difficult to reach roof.

Silloth Vintage Rally, Youth bands to play on Silloth Green, £250 from Allerdale Community Fund, <http://www.vintagerally.co.uk>.

Paper Recycling Skip

Do you use the paper recycling skip on Silloth Green?

TAKE CARE.

On 16th March the Fire Brigade were called out to a fire in the Pines. This was a pile of paper which had been removed from the recycling skip and taken to the Pines where it had been sorted through before being burned. There was a trail of paper scraps all the way from the fire to the recycling skip.

On closer inspection many utility bills were found with the addresses removed, junk mail addresses had also been removed. A local business had even dumped a load of customer records.

This all goes to prove that anything of a personal nature should be shredded before being put in the skip, or even in your household bin. There are people out there who know how to profit from your lack of care, and it will be at your expense. You may not even have opened your junk mail, but with the benefit of other details gleaned from your rubbish you may find that an order has been placed on your behalf and you will be chased for payment.

Yet again,
TAKE CARE!

Police Report

Report by: Insp Dave Barr

A meeting took place this week between ourselves and the fire services to tie up the final details in the agreement that will enable us to share the Fire Station. We are anticipating being able to announce a formal date for the commencement of use in the next few weeks.

Anyone driving through Allonby in the past 10 days, will have seen the speed indication devices put out: either side of the children's play park. These show drivers what their actual speed is through the village. The speed limit is 30 miles an hour, but is regularly breached. The idea is to "encourage" drivers to alter their behaviour if speeding. After the Easter holidays they will

be moved to another site, experiencing the same problems. The next stage for my officers will be to return to Allonby with the speed gun, and issue £60 penalty tickets, which also carry 3 points. The thinking is quite simple: drivers have had due warning of the speed in the village, but if they have not mended their ways by gentle persuasion, then we have to use the enforcement option. Two local residents have very kindly assisted us in this initiative, by putting out the devices each day, and then charging them up at night. A real example of local people working at trying to alter the issues which are affecting the quality of life for them, their children and visitors to the village.

Community Project Grants

Do you need cash for a Community Project?

A Neighbourhood Forum Grant could be the answer!

What are Neighbourhood Forum Grants?

Cumbria County Council makes grants available in your area through Neighbourhood Forums. Grants can be made to voluntary, non-profit making groups for community based projects and to individuals who

represent the area. A copy of the full grant criteria is available from your Neighbourhood Development Officer (NDO) who will also be able to help identify other local funding sources.

How do we apply?

You will need to complete an application form available from Area Support 2nd Floor Workington Library, Workington CA14 2ND or call 01900 325011 or we can email it to you. Applications must be received two weeks before a Neighbourhood forum meeting.

Grant recommendations are made at quarterly meetings of the Forum. You can view the dates and venues of Forums in your area by logging onto the Cumbria County Council website at www.cumbria.gov.uk.

Examples of projects funded by Aspatria & District Neighbourhood Forum include: Health Groups supporting people with various conditions. Pre and After Schools have obtained new equipment and games. New equipment for Aspatria & District First Responders. Youth clubs and groups to promote different activities, including art, music and outdoor activities.

And many, many more.

HUG Quiz

Throughout April 2006, thousands of people nationwide will be coming together to take part in the Help the Aged Hug Quiz.

The Hug Quiz offers people of all generations the opportunity to get together and enjoy each other's company, while raising funds to help support those older people who live alone or have few family or friends to look out for them.

The Hug Quiz is part of the HUG (Helping Unite Generations) campaign, a major new initiative from Help the Aged, which aims to get the nation thinking about the loneliness and isolation experienced by older people who lack the companionship that

so many of us take for granted.

In Britain today, over a third of older people experience loneliness. That's why on Friday April 28th at 7pm, Little Acre Care Home will be hosting a Hug quiz, to raise funds for Help the Aged and to reach out to lonely people in need.

The funds we raise will enable Help the Aged to continue providing the support services that older people need to live independently and to help them feel less alone. Teams may consist of up to four people, and the entry fee is only £2.50 per person.

If you are interested in entering a team, please contact Sarah Betsworth on Silloth 32105.

Paul Braithwaite Opens Little Acre Extension

A beautiful early spring day for the official opening of the new extensions at Little Acre on April 4th allowed some of the assembled guests to enjoy their refreshments on the new patio area following the opening speeches.

Geoff Betsworth thanked residents and

staff for their patience and help during the building work, and expressed gratitude to the builders for being sensitive to the surroundings they were working in. He then introduced Paul Braithwaite from Radio Cumbria.

About 60 guests

listened as Paul spoke about his happy memories of holidays in Silloth as a child, and more recent visits to the home where his mother was a resident. He mentioned how much she had enjoyed watching the progress of the building work. He also commended the staff for

their care and kindness to all the residents and remarked upon the homely atmosphere, before officially opening the new rooms.

Various members of staff then showed groups of guests around the home while tea and refreshments were served in the dining room.

Dear Buzz

Memories of Silloth by Mrs Marie Devine (nee Tod) I read with a great deal of pleasure Mary Scott Parker's book on Silloth and its attractions. Having been born and lived in this friendly community, it evoked many memories. Who could forget the machine outside Danny Wood's shop, where for a penny the fiddlers played and the monkeys danced; Mr Fiddy with his eye patch, patiently waiting while we spent 1/2d or 1d on sweets in his corner shop; "blind" Tommy who stood by the playing field wall, greeting each bus and driver like long lost friends; or Mrs Briscoe who worked tirelessly so that Carnival Day was one of the highlights of the year. School days circa 1930 with Joe Coulthard, a big man and a good headmaster; Harry Liverick and Co; the Misses Smith, Storey, Clulow and Armstrong. My grandfather, William Tod, almost a century ago was a founder of the bowling club, reputedly one of the finest bowlers to grace the green. Bebe Stevenson, with his old horse and milk cart; Pop Carr, who took us on some trips. These were all wonderful people. Some might say it was mis-spent youth. Probably we did not appreciate the environment in which we lived, but I'm sure those of us who are left and are scattered in different places, would not change one day of it. The saying goes: Where e're you roam Home is home Your feet may leave But your head, never!

Sadly Marie died last year, this was sent to us by Marie's brother Billy Lennon. Many thanks from the Editor and all our readers.

Dear Buzz,

Can anyone help? I am looking for a knitting pattern for a Spiderman Sweater for a child. Please contact Eileen Slack at Occasions Florists, 9 Station Road, Silloth, tel: 016973 31449.

Save Wigton Hospital

Report by: Eveline Dugdale

On April Fools morning a band of loyal campaigners gathered at our hospital gates to start a relay which went to all nine threatened hospitals.

At 8am a Vintage Tractor and Trailer left Wigton carrying the 1st Ring to Brampton where the next ring was added on up to Alston in a 1974 VW Beetle, the next ring was added and taken to Penrith by almost a hundred Harley Davidson motorcycles. Here another ring was added and taken to Keswick by George Bowman in a beautiful Carriage pulled by four horses. David Maclean rode in the carriage and was greeted in Keswick by Tony Cunningham MP who added the next ring.

On Sunday morning at 8:30am two canoeists left Keswick via Derwentwater to Cockermouth where

the next ring was added by Tony Cunningham who then ran with a group of runners to Maryport.

The next ring was added here and then a group of cyclists took the rings to Workington where a ring was added then off on the final leg with six classic cars to Millom where we were

greeted by Jamie Reed MP. It was a fantastic weekend.

Mayors Report for April

By Graham Wilkinson

The Chairman reported that he had met the crew of HMS Biter on their recent visit to the town along with other councillors, the Harbour Master and his wife, friends and friends of the crew.

The police report was given by PC Andy Robertson. This included several burglaries within the town and caravan sites, several broken windows, criminal damage and anti-social behaviour.

Items of correspondence include the following: Allerdale Borough Council support for summer activities for young people - An invitation to a charity auction dinner at the Skinburness Hotel in aid of the Great North Air Ambulance, the Chairman unfortunately will not be able to attend however it was hoped another councillor will attend - Cumbria Constabulary reference the sale of the old Police Station - Allerdale B.C. reference consultation for the Draft Statement of Community Involvement Report, this included the Primary School on their attendance at a joint choir event at Distington, where several

schools from across West Cumbria met to give a brilliant performance - Joint Advisory Committee on the move by Allerdale Borough Council to take over the Heritage Centre from S.R.I. and that bookings by schools to attend events was out stripping the time available at the centre.

Regeneration Partnership gave notice that matters were making progress on the work to bid for Lottery funding for the upgrading of facilities on the Green, however this was going to be a long term task as there is a mountain of paperwork to contend with.

Silloth Health Matters are applying for funding to cover the cost of the pensioners tea at the Silloth Music & Beer

Festival.

Ken Wannop reported on the damage caused to the flower bed opposite the Balmoral and suggested that the bed be moved, following discussions it was agreed to move it to an area opposite the Queens Hotel.

Estimates were considered for the replacement of fencing around the tennis courts at North House.

Tenders are to be sought for the replacement of guttering and painting of the changing rooms in the playing field in Eden Street. The Council held a discussion into the consideration as to the appointment of an apprentice groundsman with a view to them attending Newton Rigg on day release.

Lent Lunches Thank You

Photo by: Bill Allan

During the Lent Lunches held in St Andrews hall the Rev Alan Byron presented a bouquet of flowers to Mrs Edith Kerr. This was a thank-you for the help given to Christ Church over the past few months in arranging the use of St. Andrews Hall while their Hall was being decorated.

All Silloth area Lent lunches were held in St Andrews Hall on Wednesdays with a good variety of soups and fresh rolls being supplied by the following churches, United Reform Church, Christ Church, Evangelican Free Church, Methodist Church and Roman Catholic Church.

Did You Know?

Supplied by: Mike Faulkner

In English pubs, ale is ordered by pints and quarts. So in old England, when customers got unruly, the bartender would yell at them "Mind your pints and quarts, and settle down."

It's where we get the phrase "mind your P's and Q's."

What is the only food that doesn't spoil?.....
Honey.

In Shakespeare's time, mattresses were secured on bed frames by ropes. When you pulled on the ropes the mattress tightened, making the bed firmer to sleep on.

Hence the phrase.....
"goodnight, sleep tight."

It was the accepted practice in Babylon 4,000 years ago that for a month after the wedding, the bride's father would supply his son-in-law with all the mead he could drink. Mead is a honey beer and because their calendar was lunar based, this period was called the honey month, which we know today as the honeymoon.

Silloth Brownies Easter Bonnet Parade

Report by: Maureen Irving

Once again Silloth Nursing Home welcomed the Brownies for their annual Easter Bonnet Parade.

Three residents judged finding it extremely difficult to pick winners, eventually three were chosen, Hannah Smith, Katy Smith and Charlotte Robertshaw.

All the Brownies received Easter gifts from Matron and Staff. A welcome drink and biscuits were served after a good sing-song with residents and staff joining in.

A very enjoyable afternoon was had by all.

Local Man Making Quick Bucks

Recently myself (P. Markley) and a couple friends had the idea of building a web page to see how many hits we could get over a year. We were originally aiming for 1 million over a year but the domain was taken. So, why not do ten million page hits over 5 years? It was going to be harder but we figured for a beer it could be done. TenMillionPageHits.com was born.

Soon the costs were coming in. It was then I decided to add on pixel selling from the idea of Alex Tew to cover these costs. However, greed is not my main objective so I decided to donate \$150,000 to charity on completion of sales.

All clients purchasing pixel space will have the opportunity to vote for a charity. At the end, all the votes will be counted and the donation of \$100,000 will be issued to the winning charity. On the sale of the first 500,000 pixels the Anthony Nolan Trust will receive the first \$50,000.

I am hoping that you, as valued readers, would be a willing participant. I am positive that with my marketing strategy and the support of active online readers, <http://www.tenmillionpagehits.com> will achieve its goal.

Silloth F.C. v Gretna F.C.

Report by: Geoff Bland

Congratulations to Gretna F.C. who have reached the final of the Scottish Cup. A great achievement.

They have come a long way since the days when they played in the First Division of the Carlisle & District League and played in the League Cup at Silloth.

With the score at 2-2 and a few minutes to go Ken Blake headed a grand goal following a free kick. This was disallowed as the referee said he hadn't signalled the kick to be taken.

The game went into extra time and finished almost in darkness in the short December afternoon, December 1st 1956.

The team that day: Ian Carruthers, Terry Lennon, Ron Blake, Geoff Bland, Jim Baxter (Captain), Ray Baxter, Bob Sutton, Donald Strickland, Ken Blake, Joe Baxter, Henry Stalker.

The following is an extract from the local paper dated 1.12.1956: Gretna won in extra

time, Silloth 2, Gretna 5. Three goals scored in extra time made Gretna's away victory against Silloth quite sure in their Carlisle League Cup-tie on Saturday. Silloth opened well and it was rather against the run of play when Rooke netted after 15 minutes to give Gretna the lead. Five minutes later Silloth equalised when Ken Blake bustled the ball past Robson. Gretna regained their lead after 30 minutes through Rooke.

Silloth surprised the visitors in the second half by equalising after 70 minutes when a visiting defender put through his own goal and thereafter both teams went hammer and tongs for the winning goal.

Extra time was necessary before Gretna made sure with goals by Mattinson, Devlin and McFarlane.

Cumbrian Poetry - The Breyedwain - continued part 3

Poems on several occasions

THE BREYEDWAIN

Written by John Stagg, the blind bard from Burgh, and published in 1808.

Continued from page 6 of the April issue which took us up to 24 verses, another 14 this month takes us up to 38 verses and there are still lots to go. Has anyone memorised it yet?

The breyde now on a coppy stuol,
Sits down i'th' fauld a' whithrin',
With pewter dibler on her lap,
On which her towgher's gethrin',
The fwoaks leyke pez in a keale-pot,
Are yen thro' tother minglin',
An' crowns an' hauf crowns thick as hail,
Are i' the dibler jinglin',

Reeght fast that day.

Nit yen that's owther mence or sheame
Wad be that snaflin ninny
As to haud back their gift, nay some
Wad whuther in a guinea.
I'th meanteyme th' fiddlers changg'd and play'd,
As hard as they cou'd peg,
Till th' offering it was feckly duon;
When back to th' barn to sweg

They bows'd that day.

Now loundrin' shives o' cheese an' breed,
Are down their gizzrin's whang'd,
An' some there war cud scarcely speak,
Their thropples were sea pang'd;
Bit twea or three let down's o' yell,
Soon set their hawses free,
When thus with pith restword, yence mair
They took anudder spree,

Till cramm'd that day.

Indeed there was some feckless fwoak,
At luikt to be owr neyce,
'At nobbit nibblen peyk't and eat,
Just like as monny meyce;
Bit then there was some yetherin' dogs,
At owr the leave laid th' capsteane,
For some they said eat lumps as big
As Sammy Liank's lapsteane,

I'th' barn that day.

They're keyte's weel trigg'd wi solid geer,
They now began to guzzle,
Wheyle yell in jugs an' cannas was brought,
An' held to evry muzzle;
They drank in piggins, peynts or quarts,
Or ought 'at com to han',
An' some they helt it down sea fast,
They suin cud hardly stan

Thar sells that day.

At last some lish young souple lads
Their naigs frae th' buoses brought,
An' off they set to try a reace,
The prize was neist to nought;
A rig-reape, braugham, pair o' heams,
Or something o' that swort,
Nea matter, tryfle as it was,
It made them famish spwort,

O'th sands that day.

Some for a' pair of mittans loup;
Some wurstled for a belt;
Some play'd at peunice steans for brass;
An' some amaist gat fel't;
Hitch step an'loup some try'd for spwort,
Wi' monny a sair exertion;
Ithers for bits o' bacco gurn'd,
An' sec leyke daft devarshon

Put owr that day.

Now some o'th menceful mak o' fwoak,
As suon as things w'ar settled,
When they'd yence hed a decent snack,
To set off heamewards fettled;
Bit mony a yen there was that staid,
Auld sly buits that war deeper,
An' Philip Mesher cried hout, stop!
Guid drink was never cheaper,

Than't's here to-day.

Full mony a reeght good teyper com,
As th' country seyde cud brag on!
Nay, there was some that at a win
Cud tuom down a yeal flaggon.
Wi' casks weel season'd frae a' nuiks
Thur bachanalions gether'd,
An' some there war 'at clash't their keytes
Till they war fairly yether'd

Wi' drink that day.

Some crack o'brandy, some o'rum,
An' some o'weyne far sought;
That drink o'my opinion's best,
'At we can get for nought;
That day i' this seame thought wi' me,
I witnessed monny a seyper,

Suon on that day.

Wi' fiddlin, dancin, cracks an' yell,
The day slipt swuftly owr,
An' monnie a csware or darknin' gat,
As drunk as they cud glowr.
When great Tom Carr, that man o' war,
Com stackrin' on to th' floor,
He slapt his bam', an' cried, od dam,
I'll box wi' onny here,

'At dare this days.

Then Watty Farguson, provwok'd
To hear this haufthick rattle,
Fetch'd him a fluets under th' lug,
An' sea began their battle;
Clash tuot they fell, wi' thumps pell-mell,
Wheyle a' was hurdum durdum;
An' some among the skemmels fell,
An' ithers nearly smuir'd them,

I'th' fray that neeght.

Then up lap Lowrie o' the Lees,
An' leyke a madman ranted,
A lang flail souple full'd his neif,
That owr fwoaks heads he flaunted;
He yoller'd out for Cursty Bell,
Whea last Yule eve had vex'd him,
But was sea daft he could not see
Puor Kit tho' he sat next him

I'th' leathe that neeght.

Kit gat a braugham in his han',
Wi' veng'ance whurl'd it at him,
The collar leeghted roun' his neck,
An' to the fluir it pat him,
Loud sweels o' laughter dirl'd their lugs,
The fwoak war a' sea fain,
An' wheyle he sprawl'd wi' reage an' sheame,
Some cried out he was slain

Caould deed that neeght.

March was a
busy month with ten
commercial vessels and
one small naval ship
visiting the port.

The early part of the
month was very quiet
with only two vessels
arriving, both with
fertilizer, the ILONA-
G from Ijmuiden and
the CAPELLA from
Ternuzen. On the 19th
the BEN VARREY
brought wheat from
Liverpool and the dock
was then very busy
until the end of the
month. There were two
molasses tankers, the
ELLEN THERESA from
AMSTERDAM and the
ALMAR from Bremen.
The PETRA-F brought
wood pulp from N. Spain
and the other four vessels
all brought in fertilizer,
the EXPLORER
from Ternuezen, the
CHRISTA KERSTIN
from SFAX in N.
Africa, the HENNY
from Ternuezen and the
GOLA RIVER also from
Sfax.

The naval training
ship BITER paid a
second visit to Silloth
arriving on Friday 31st
March for the weekend.

Morrison's Marauders

by Whiskers

*Like commando's on a mission they board the
community bus,
Shopping bags and walking sticks they squeeze
in with a push.*

*Elderly ladies having their say,
It's time to go there shopping today.*

*Their off at last to Morrison's, a pound coin in
their hand's for a trolley,
Searching for bargains and their favourite food,
Carefully watching their lolly.*

*Dashing and skidding around the store with
flames coming out of their wheels,
The only way to put them out was to pack them
with Ross frozen foods.*

*Once they have passed through the checkout, on
the way out some of them queue for their fags,
then like trained assassins they pour through the
doors, so I issue them all with their tags.*

The Blacksmith

by Whiskers

*In Beckfoot, there's a blacksmith called Sadie,
Who bends steel bars just for fun.*

*When she popped in the pub for a quick one,
The men in the vault, would all run.*

*The landlord announced, he's not frightened;
In fact he feared her no more.*

*Then as quick as a wink, she finished her drink,
And nailed his foot to the floor.*

Local Development Framework

Allerdale Borough Council is starting the process of creating a new Local Development Framework.

The Local Development Framework replaces the Local Development Plan, which is used to guide the Council's decisions on planning applications for development within that part of the district outside the Lake District National Park. The first stage of the process is to find out how and where local people would like to be consulted at each stage of the development of the Framework.

A 'Statement of Community Involvement' has been written stating how and where the Council will consult with residents. It includes methods such as through Neighbourhood Forums and exhibitions. However the Council wants to know whether these are the best ways to consult on the development of Framework and is asking residents to comment

on the statement and let them know if anyone feels they will be missed out of the process.

Dave Martin, Allerdale Borough Council's Head of Regeneration, said: "Allerdale is committed to working with the local community across the range of services it delivers and the Council's new Corporate Improvement Plan shows this. "We are now shaping new planning policy for the area and we welcome any comments and suggestions on how best this can be achieved at this early stage."

Future consultation on the framework will include the broad strategy, which will be available in July, and the individual sites for development and their uses, which will be consulted upon in Autumn 2006. The final area action plans will be developed by Summer 2007.

This is the opportunity for residents who are interested in

the Local Development Framework to register their interest at the start of the process. The deadline for responding to the 'Statement of Community Involvement' is 5 May 2006. Residents can find out more by visiting www.allerdale.gov.uk, or by picking up a copy of the 'Statement of Community Involvement' at Allerdale House, or from libraries in Cockermouth, Workington, Silloth, Wigton, Maryport and Aspatria, or by telephoning Julie Ward on 01900 702767.

His consistency is unbelievable, he has won the British Sprint Championship at Drag

Silloth Tennis Club

Congratulations to Emily Wise, Jared Cole and Greg Ramsay who have been selected for county coaching with county head coach Ben Saunders. Ben has been taking a look at various players over the last few months at training camps around the county and after working with and training alongside Andy Murray in his earlier days we hope that some of his talent rubs off on our players!

Greg Ramsay and Kirsty Girdler outlined their tremendous potential with excellent performances to become the first ever Mini Tennis Red champions of West Cumbria.

With more players coming through from our area it was decided to hold another regional qualifying event with the better performers qualifying for the county finals which are to be held at Kendal on the 23rd of April. Silloth's players didn't disappoint, with Joel Baker (semi final), Reece Blake (semi final), Jared Cole (quarter final), Matthew Middleton (quarter final) all joining Greg and Kirsty at the big event, who outfought Thomas Plews and Victoria Shepherd both Gosforth) respectively.

After 88 teams from all over Cumbria, a finals day of the best 16 teams and a cracking final match against one of Carlisle's largest primary schools, the title of best under 8 school team in Cumbria finally hinged on the very last point of the very last match of the competition.

The match was doubles, the opposition Stanwix school and the intrepid players from Silloth were Reece Blake and Joel Baker, with Joel the server preparing

for one of the biggest moments of his Tennis career.

The angst of the on-looking parents was clearly visible, some just couldn't watch and when Joel dumped his first serve into the bottom of the net the tension became absolutely unbearable. Joel and Reece were having none of that though and with a safely delivered serve, a return and an unstoppable shot from Reece the point was won and the title and trophy

were heading back to Silloth for a second successive year.

This was the icing on the cake for the awesome team who also included the wonderfully skilful Jared Cole and Greg Ramsay and after beating the likes of such highly fancied teams as St Michael's of Dalston, Kingmoor, Plumpton and Black Combe en route to their eventual success they have set the scene for another exciting summer for Silloth's young players.

Windermere Golf Club catches up to Silloth Golf Club

Windermere Golf Club in Cumbria has been awarded the Junior GolfMark demonstrating their hard work and dedication to junior golf. Silloth on Solway Golf Club achieved this award a while ago with their strong junior section.

The English Golf Union (EGU) and English Ladies' Golf Association (ELGA) developed the Junior GolfMark Award to

identify and acknowledge junior friendly golf facilities in England.

Junior GolfMark evaluates golf clubs on the following three areas within their junior section:

- a) Coaching & Playing
- b) Club Environment
- c) Child Protection & Duty of Care

EGU and ELGA Development Officers continually conduct assessment meetings,

offering advice and guidance to golf clubs on how to further enhance their junior sections and develop best practices.

The GolfMark award

is an initiative jointly provided by the EGU and ELGA via the England Golf Partnership's 'Whole Sport Plan' for golf.

Golfers Support Charities

Report by:
Gillian Johnstone
Lady Captain 2005

On Wednesday 15th March 2006, Gillian Johnstone Lady Captain 2005 had great pleasure presenting Silloth Nursing Home with a cheque for £539.45 and Silloth First Responders with a cheque for £519.45. The money had been raised over the year from Quiz Sheets, a Cookery Evening with John Crouch, a donation from the Sandpipers (the senior gentleman's section of the Club), entry monies from the Lady Captain's Day and Lady President's Day and a Golf Marathon by Gillian Johnstone and Immediate Past Lady Captain Lynn Hill.

The Ladies also support the RNLI Silloth Branch, Children In Need and

Cancer Research from competition entry fees.

Silloth Golf Club generously allow the use of the course for a Rotary Open each year and The Silloth Branch of the British Heart Foundation hold a Seniors Mixed Foursome. Over the past five years they have raised nearly £8,000 helping towards purchasing a defibrillator for the First Responders and buying a defibrillator for the surgery in Silloth.

Last year Lady Captain Lynn Hill forwarded £815.50 to the Oncology Department at the Cumberland Infirmary.

I would like to take this opportunity to thank everyone in the club, who has helped in any way to raise this money, your support was greatly appreciated.

Hole-In-One Golfer

Steven in the Clubhouse afterwards

Report by: Jimmy Lettice

Local lad Steven Frazer was in joyful mood after scoring a double whammy on one of Silloth Golf Club's toughest holes 'the par 4 10th. Steven hit a brilliant five wood shot on to the green, only for it to bounce three times and on the fourth bounce it fell in the hole to a rapturous roar from his playing partners. The hole is a dog-leg

and used to be a tricky little hole. Now, for some reason the bushes that used to hide the flag and green from the tee have been ripped out, so when you are on the tee box you can see the green and flag making the hole slightly easier and rewards those who go for the green.

The 'double whammy' was because the hole-in-one was also a very rare albatross. Well done Steven.
