West Silloth

A small section of the Crofts is still not getting the Buzz delivered as no-one has volunteered.

Can you help? This is an easy round of only 36 houses which will not get the Buzz until someone comes forward. It can even be split between two volunteers. 14 houses from 1 to 71 The Crofts and 22 houses from 25 to 67 The Crofts.

If you can help simply telephone Kath on 016973 32180 and leave a message giving your details.
