

New Web

David Beeby of The Crofts has launched a new web site as a community resource for all the sports related activities in the area.

The main aims of the site are:

- * To promote the sports and activities that are actively pursued in our area.
- * To assist the clubs, groups, organising bodies, and administrators- anyone who is involved in sport in Silloth in promoting their sport.
- * To highlight any special endeavours that are worthy of merit.
- * To publicise the many sporting fixtures and special occasions organised by the clubs, organisations and societies.
- * To entertain.

Check it out at: www.sillothlocalheroes.110mb.com.

This is a totally free site for the benefit of the sporting community in our area and an opportunity to recognise our local heroes.

Who Supported Everton?

Do you recognise the Everton supporter who's now changed his colours? Standing next to him is a ginger Leeds supporter (Terence Wise) who always wanted to drive a big green truck when he grew up.

Captains Charity

Club Captain, Steve Berry, and President Keith Baxter, presented a cheque for £339 to Mrs Georgie Berry, who is the Parkinsons Disease specialist nurse for the West Cumbria area. The money is to be used to establish a new fund for support groups in the area for sufferers of the disease, and the Golf Club is honoured to be the first

contributing to this good cause.

Much of the money was raised on Captains Day, when members were asked to dig deep by paying a 'fine' of 2 pence for every shot taken in their round, and we are grateful that some members were able to donate substantial amounts by recording such extravagant scores.

Silloth Golf Club Captains Drive In

Sunday 16th March was a beautiful day for the 2008 Captains Drive into office.

At 9am Club Captain David English drove in style sending his golf ball to the horseshoe further than anyone had anticipated. This was good news for the Captain's charity as no one had put any money on that area of the course for the ball to land.

£30 has started the Captain's charity fund

for the Silloth First Responders.

The annual match against the 2008 Vice Captain David Wilson followed the Drive In. The result was a narrow victory for the Club Captain's team. The event was enjoyed by all who played.

At 11.30am it was the turn of the Lady Captain Lynn Little to drive into office. She too had a magnificent drive which started the annual match

against the Lady Vice Captain Celia Chester.

Lynn followed the Captain's success with her team winning. The ladies celebrated as they always do making a good start to Lynn's year.

At 1.30pm the Junior Captain Blaine Clorey drove in hitting a long ball down the fairway and there was a junior match afterwards.

We wish all the Captains a very successful year.

ABP Launches Pedal the Ports

Associated British Ports (ABP) announced the launch of Pedal the Ports, a large-scale fundraiser for Motor Neurone Disease (MND).

Sponsored ABP employees will be taking part in a 1,600-mile tandem bike ride around the Company's 21 ports, throughout June. Starting and finishing at the Port of Grimsby, the tandem

- ridden by a shifting, relay group of employees - will circumnavigate in an anti-clockwise direction, calling at the Ports of Immingham, Hull, Goole, Troon, Ayr, Silloth, Barrow, Fleetwood, Garston, Swansea, Port Talbot, Barry, Cardiff, Newport, Plymouth, Teignmouth, Southampton, Ipswich, Lowestoft and King's

Lynn, before arriving back in Grimsby for an open day on Saturday 5th July. This will allow the public to gain access to and experience the workings of a modern port while enjoying a number of fundraising activities. Events are also being planned at other ports along the route.

John Fitzgerald, ABP Port Director, said: "The

idea for Pedal the Ports originated, when my predecessor Nick Palmer, decided to retire because he is suffering from MND. As Nick worked at all of ABP's ports during his 27 years at the Company, I thought it would be a fitting tribute to launch a project that involved all those locations, and raised money for MND.
