Rugby Field Invaders

Report by: Anne Allan
Rally Officer

To all residents of Silloth can I just say a huge thank you from all of us.

We are the Northern Counties section of the Motorcaravanners Club, a huge and well respected organisation. You all made our stay from May 3rd - 8th a very enjoyable five days.

We do appreciate the horror when we turned up on the Rugby Club, but after speaking to lots of local people they were soon reassured we were not gypsies as some first thought. We all had a good laugh about it. We do travel about a lot to all manner of rugby clubs, schools, town halls and community centres and I have to say on behalf of all of us, Silloth is a wonderful part of the country with lots to attract visitors. We all found this out, getting about as far as Carlisle and surrounding areas. We would also like to thank the ladies from the OAP Recreation Hall, Pat Bell and her team of helpers for the lovely coffee morning which we were all kindly invited to, and also the catwalk model who gave us a sample of

goods on sale available from the local charity shop. Our purses were a lot lighter at the end of the week and unfortunately our waistline's were larger to due to all the local fish and chips, good beverages in the clubs and hotels and the lovely scones with jam and cream.

As for the future we would love to come back again and visit you.

Life can be stressful, but only if you let it!

Abbeytown Carnival: Here to Stay!

Report by: Sarah Kay

The last Saturday of July has long been a social highlight for the people of Abbeytown and the surrounding area and 2011 is destined to be no exception!

A new committee has been formed for this year's event and they are confident that their boundless enthusiasm, new ideas and the wealth of experience offered from previous committees will ensure that the carnival will be the best ever.

The decision of many of the previous year's carnival organisers to take a well earned break in 2011 meant that for a while it seemed the future of the event was in doubt but an appeal within the village quickly resulted in a fresh group of individuals taking up the reigns of this much-loved event. A sizable group now meet fortnightly in the Wheatsheaf Pub to

plan the details.

Following on from feedback from previous year's, it's hoped that the 2011 Carnival will have more to offer all ages with music, dancing, dressing-up, games and general merriment culminating in the whole village joining together on the Recreation Field.

Fund-raising activities, including the village's annual duck race, are well into the planning stages and by the time of going to press the committee will have selected a worthy Carnival Queen.

Traditionally the Queen would have been selected from the Year 6 of the village's Holm Cultram Abbey School; however a complete absence of girls from the year has meant that the Committee have had to widen their search to find the right girl to represent the village on the day.

Carnival spokesman

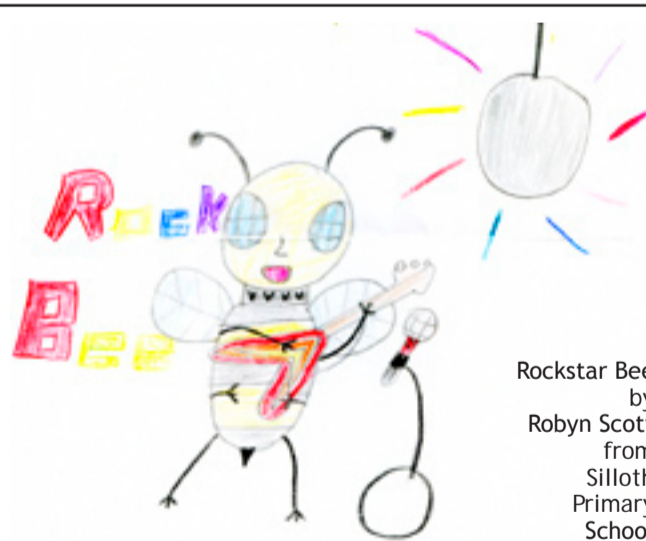

Steve Pattinson says "We're really excited about the 2011 carnival. The atmosphere is always fantastic and it'll be great to see the whole village joining together to party".

Entries into the procession are welcomed from all groups or individuals and the committee would particularly love to see new

people joining in the fun.

See Abbeytown's Facebook page for up to the minute information or to leave comments or suggestions, or ring Sarah on 016973 61931.

Abbeytown Carnival 2011 is on 30th July. Let's all get together and make this the best one ever.

Have Your Say

Time for change? Ideas for the future of Cumbria's libraries. Cumbria County Council has launched the first stage in a conversation it wants to have with you about the future shape of the county's library service.

Across the UK councils have been consulting with the people they serve about the future of library services. These consultations have frequently begun as a result of reductions in library service budgets which have prompted councils to consider the closure of branches.

In Cumbria councillors have chosen not to reduce the budget for the library service in 2011/12. However, with council budgets under pressure they must be confident that all services are delivering best value. Added to this is the fact that nationally and locally library visitor numbers have been

dropping (a 20% decrease in Cumbria since 2005). They think it is time to change Cumbria's library service to reflect the needs of the people of Cumbria better.

Cumbria County Council have set up a dedicated consultation website where you can share your ideas and opinions with the council and fellow residents. Go online to cumbria.gov.uk for more information.

They want to involve you right at the start, before the council has firm proposals and well before any decisions are made. This first stage will last until 30th June. After that the council will review all the feedback it has received and take a decision as to whether to progress to a second stage of more formal consultation on specific proposals for change. This second stage will probably take place between September and November.

The Space

Calling All Art & Craft Persons, Groups in Silloth, West Cumbria and beyond

Report by: Clive Firth

You may have heard The Community Hall been referred to as "The Space"? Also you may have asked yourself one of these questions: *What is Silloth Community Hall?* *Where is The Silloth Community Hall?* *What is the Space?*

The Silloth Community Hall has got to be one of the least used community buildings in Silloth! The Community Hall is what was the old Infants & Junior school situated opposite Silloth Motors Petrol station. The Space is a community 'Not for Profit' enterprise.

The aims and objectives of The Space are:

- Aims**
- 1, To create an all year round Tourist Visitor Attraction
 - 2, To build a community owned/managed "Not for Profit" Cottage Industry type outlet.
 - 3, To open a community Workshop and Gallery for local people to learn skills that they and their community will benefit from.

Objectives

- 1, To open to the public a Tourist/Visitor attraction. Open a community "Not for Profit" owned and managed Community Hall, Workshop and Gallery, based on the theme of the Cottage Industry. Displaying and selling Wood carved, Wood crafted items, along with other Arts & Craft objects, that have been made/crafted by the groups' members and members of the community.
- 2, To enable local people of all ages, to acquire skills through the Workshop and Gallery by making, displaying and selling their work, which would be finished to a high standard. This will benefit their community and themselves, both directly and indirectly. The Space will be working

in partnership with Silloth Town Council with all policy and procedures.

How The idea for the Space came about:

Silloth Community Hall has recently had more groups (Age Concern, MANA Credit Union and a Church group) stop using the hall. It was recognized, that Silloth Town Council were left with a building that was being used less and less. The opportunity arose for the one remaining group to propose a new way forward. They proposed a new Partnership, a partnership between Silloth Town Council and Clive Firth; who founded, runs and has managed The Solway Wood Carving Group (BWA) since October 2006.

Clive, along with members of Solway Wood Carving group committee decided that having the hall refurbished would enhance and encourage a great deal more use of the hall, by not only the local community, but also the visitors to the town and the communities of the whole of the North West coast and surrounding area of Cumbria.

By offering courses, classes, a wet weather venue for local events and a visitor attraction, to encourage more visitors and keep them here to spend their money in the town, local area and Cumbria as a whole.

There is a lot of work to be done, the renovations have yet to start, it is up to 'The Space Ltd' to create it's own income.

To do this volunteers are needed to help manage and develop ideas, steward events, etc.

If you need anymore information, or have a use for the The Space to run workshops, Art & Craft Group meetings, talks, etc, etc, please do not hesitate to contact either Mike Faulkner on 016973 61703 or Clive on 016973 31995.

Tea Party for Eden Valley Hospice

Report by: Mike Faulkner

It was a bit of a 'rain sandwich' over Easter, nevertheless the Tea Party for Eden Valley Hospice held at The Space in Silloth raised £330.

There were various arts and crafts on display during the weekend including stained glass, rug making, aroma bears and jewellery together with a cake stall and bring and buy.

Painting and woodcarving were demonstrated by local artists together with a display of completed work. A very big thank you to all those who helped in their various ways throughout weekend, especially the three youngsters Matthew and Kieran Oliver and Callum Spence who unselfishly gave up two days of their fun time and worked very hard.

All in all it was good fun and we managed to help the Hospice and also promote our first event at The Space.

Pensioners Coffee Morning

Report by: Pat Froggatt

On Saturday 7th May the monthly coffee morning of Silloth & District Pensioners was held at the Recreation Hall, off Eden Street.

The hall was packed to capacity with both new and regular visitors who thoroughly enjoyed the morning. Sales of cake, bric-a-brac, books and clothes were well supported as was the prize drawing, with a number of prizes on offer.

It was a pleasure to see so many people participating in this regular event, and the new visitors were made most welcome.

The Committee were kept busy distributing coffee and tea, and everyone helped themselves to the scones, jam, cream and biscuits which were set out on the

tables.

The winners of the drawing were: Maureen Todd, Mrs. Keaveny, Mrs. Ferguson, Marjorie Roberts, Minnie Richardson, Maureen Gray, Mr. Wheatley, J. Clifford & Sheila Blacklock.

The whole event raised nearly £200 for funds.

The Committee would like to express their thanks to the Cyclists who did a sponsored bike ride and recently presented a donation to the funds. They would also like to thank the SOSCS shop for their generous donation. The money raised by the Cyclists and SOSCS enable us to have a complete re-fit of the kitchen which is now installed. If any of the Cyclists and Volunteer

helpers from SOSCS would like to see the renovation of the kitchen, they are quite welcome to do so.

Many thanks to everyone for their generous support of the Pensioners.

A New Rector

Report by: Tim Barker

Silloth will have a new vicar in September, or to be precise a new Rector. The Reverend Bryan Rothwell who is currently vicar of Threlkeld has been appointed Rector to the Solway Plain Team Ministry of which Silloth and Causewayhead are part and he will be based in Silloth. As Rector, Bryan will have charge of all seven churches in the team – the others are Abbeytown, Holme St Cuthberts, Bromfield, Waverton and Westnewton. He will be Vicar of Silloth but will also direct the work of the Ministry Team, taking some

of the load off Revd David Tembey of Abbeytown who has been leading us since Revd Alan Byrom moved on and the previous rector Revd Sharon Swain retired.

As well as being vicar of both Threlkeld and St John's in the Vale, Bryan Rothwell has been in charge of Carlisle Diocesan Youth Centre, welcoming hundreds of young people who come to stay in the Lake District to share outdoor activities and spiritual time together. He and his wife Anne Louise have three sons of their own and look forward to meeting other parents and young people.

Bryan's official licensing will take place on September 5th.

And speaking of Christ Church.

The appointment of a new full-time priest reminds us of the price we pay for keeping Silloth's parish church open and maintaining all the services and opportunities that it provides.

Not everyone may be aware that the Church of England today does not have the great financial resources of a hundred or even fifty years ago. There is no central reserve providing dividends from investment. Church members have to pay for the upkeep of buildings and the salaries of clergy out of what we receive each week from regular givers, fund-raising events, the Parish Magazine and so on.

All churches in the Diocese of Carlisle contribute to a central fund for the payment of clergy and, while some are relatively wealthy and can help

subsidise their neighbours, most parishes cannot afford to pay the full cost of the vicar or curate who serves them. In the Solway Plain Team we can afford to pay just part of one person's salary and for some years Christ Church Silloth has only been paying its share by running at a loss and spending literally thousands of pounds out of what reserve we had. We have to cut back on our contribution to the central fund and that means the Diocese will have less to pay clergy.

We are mainly dependent on the generosity of people who attend the church or donate on a regular basis through our envelope and Gift Aid schemes but Christ Church also functions as an important focus for the community. Most local residents were baptised there, often married there and have attended the funerals of friends and loved ones there. It is the place for the Remembrance Day service and for Christmas and Easter celebrations. The schools hold services there. People tell the time by the clock – even though it isn't always quite in agreement with Greenwich! The spire is the landmark for visitors and tourists.

To use the language of the politicians, everyone in Silloth has a stake in the Parish Church. If you would like to help it survive and you can afford to make a regular contribution, however small, please contact a member of the congregation or our Treasurer Margaret Graham tel: 016973 31452. Email margaretg@margaretg.plus.com.

Experiencing Easter

Pupils from Silloth Primary School were given an unusual introduction to Easter when they visited Christ Church on April 7th. The church had been set out with six areas representing episodes in the story of Jesus from his entry into Jerusalem on Palm Sunday to his resurrection on Easter Day and the event – called “Experiencing Easter” was

The Crucifixion Tableau

designed to give a more vivid feeling of what happened at that far-off time and what it means today.

In groups of six the children were invited to walk down a road lined by palm leaves, taste bread in memory of the Last Supper and make plasticine shapes to put in a miniature garden of Gethsemane. They learned about Jesus washing his disciples’ feet, thought about people in need as they heard about his suffering on the cross and wondered how

the women felt who went to Jesus’ tomb and found it empty. Finally they were all given chocolate eggs as a symbol of new life.

Over a hundred pupils took part and were very lively and creative, making things, asking questions and coming up with their own answers and praying for others. The event was presented by Cherry Asbury, Tim Barker, Margaret Graham, Maureen Irving, Eileen Reeves and Lynn Tembey.

Soldiers Museum Progress

Report & Photos by: Tim Barker

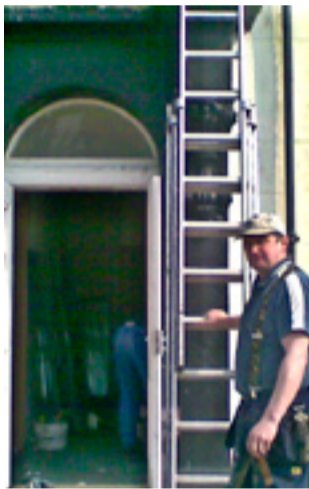

The Soldiers in Silloth toy soldier attraction may miss the planned opening date of June 18th but still hopes to open that month.

Several factors have contributed to the possible delay but they don’t include a recent act of kindness to wildlife. As part of converting the building on the corner of Criffel Street and Caldew Street the builders re-opened a side door and laid a ramp for disabled visitors.

While they were working a family of pigeons nested in the ornate sculpture above the door and proceeded to decorate the threshold below

Above: A Mongol attacks on horseback
Left: Jim Scott prepares to remove the nest
Right: This was a haven for pigeons

with droppings. This looked unsightly and the noise of the birds disturbed the neighbours but a chick had hatched so the kind hearted builders left the nest in place till the young bird was able to look after itself.

The nest has now been cleared and netting put up to stop it happening again so visitors should be able to go in unscathed when Soldiers in Silloth finally gets going.

Causewayhead WI Report

Report by: Pat Froggatt

On Wednesday 4th April Causewayhead WI held their monthly meeting at the Trinity Methodist Chapel, Silloth. The President, Olga Hetherington welcomed members and introduced our guest for the evening, June Gerrard who gave a talk and demonstration on ‘Belly Dancing’.

She began by explaining what were believed to be the origins of Belly Dancing and went on to explain the history of the subject. This proved to be a fascinating insight into this art form. She also explained that because it was mainly done in a Muslim country that most of the dancers were of Western origin as it was not considered suitable for a female inhabitant of these countries to participate. The origins date back to 2000

BC and was believed to be a type of fertility dance in the sense that it gave women the suppleness for child birth, ie for using a birthing stool. It was only during the reign of one of the Kings of France that the origins of women lying on their backs to give birth began, as this particular king wanted to see his child born. Today women have a choice as to how they give birth.

She then went on to demonstrate the various moves which make up the art of Belly Dancing and also got members to join in and ‘have a go’. This caused lots of hilarity. Most of the costumes she uses were bought at Charity Shops although she did have some special costumes which had been purchased at various Belly Dancing conventions.

The whole evening was

not only a revelation but also an insight to this particular art form.

A vote of thanks was given by Maureen Irving.

General business discussed during the evening was the trip to see the Calendar Girls which had taken place in March, the forthcoming birthday party (and members were asked to bring a knife, fork and spoon); Age U.K. fitness classes which take place at Maryport; the WI Garden at the Discovery Centre in Silloth; amongst others.

Margaret Durham also gave details of the proposed trip to Conishead Priory which would take place on the 5th September.

Over the Hill Mob

Report by: Bill Amyes
Photos by: Selwyn Cook

On Friday March 18th the "OVER THE HILL MOB" went up CASTLE CRAG, the lowest of the Wainwright fells and the only one lower than 1,000ft at 985 feet. Although it is the lowest the views are outstanding and luckily the day was perfect.

The "MOB" consisted of Brenda Bennett, Simon Rosemer, Fred Irvine, Peter Long, Joe Hoodless, Alan Rowntree (Bill Oddie), Buster the labrador and Bill Amyes.

The "MOB" has been going onto the mountains on Friday mornings for some years before sampling the hospitality of the lakeland pubs, however this day was special because it meant that Bill Oddie, Buster and Bill Amyes had completed all 214 of the Wainwright fells and in tradition of the man himself, Alfred Wainwright, they left the smallest one to the last.

At the request of Fred Irvine we have omitted any ages!

Labour Intend to Run Allerdale Borough Council

Allerdale Borough Council's Labour Group has announced its intention to run the Council as a minority leadership following the local elections.

Labour Party councillors took control of 28 seats – exactly half of those on the Council – with 12 for the Conservatives; 10 going to independents and six seats taken by councillors who had declared no party.

The Leader of the Labour Group, Councillor Alan Smith, will discuss the plans with the rest of the Labour councillors at the Group's Annual General Meeting on Sunday 15 May 2011.

Councillor Smith said: "We are the largest group with exactly half the seats on the Council so we have a mandate to form an administration, which is what we will do."

SOS Message in a Bottle

Report by: Sue Kent

The RNLI SOS bottle is being passed from station to station by Round Table members aiming to cover some 7,000 miles in 114 days and fund-raising for the RNLI along the way.

The message calls for the local community to support SOS day, the RNLI's biggest fund-raising day, which takes place in January every year.

The President of the National Association of Round Tables of Great Britain and Ireland, John Kilshaw, has made the RNLI his Presidential Charity, from May 2010 until May 2011.

John is asking his 6,000 Round Table members (575 clubs around the UK and Republic of Ireland) to join together to raise over £150,000 for crew training during this period.

He says 'as President, I wanted to support a charity that receives no UK Government funding, covers both Great Britain

and Ireland, relates to our members and affects each and every one of us, whether at sea, inland or at the beach.'

The relay started at the Round Table Headquarters in Birmingham on 14th

January and ended in Blackpool on 6th May.

Members of Blackburn Round Table visited Silloth RNLI lifeboat station with the SOS bottle on Sunday 17th April.

Visit to Animal Park

Report by: Mary Hillhouse

As part of our foundation stage topic we visited the Solway Holiday Village animal park. We walked from school and were met by Freddy the train who took us to see the animals. We fed the deer and donkeys and looked at the peacocks, goats, llamas and rabbits. There were lots of animals to see.

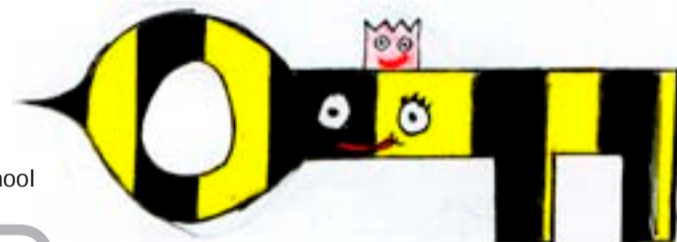

Felix the cat joined us, he was very funny. After we had a snack near the giant bear we played 'we're all going on a bear hunt'. We were then invited for a story read by Felix. The very kind staff supplied biscuits and juice. We all had a dance and a cuddle with our new friend Felix before we walked back to school.

We would like to thank the parents who helped and a special big thank you to the kind management and staff who made our visit exciting and fantastic, and a special thanks to Felix.

Exercise Portside at Silloth Dock

A Fire Service emergency exercise code-named 'Portside' took place in Silloth Docks on the 12th May involving the RNLI, Coastguard Agency, Associated British Ports and Fire and Rescue Service crews from Silloth, Aspatria and Maryport.

The exercise started with a report being made to Silloth docks that an explosion had taken place on board the fishing vessel 'Solway Provider' with several people being reported as missing.

Silloth Fire Station responded quickly to the scene with a Fire engine and Land Rover unit. The Fire Service observed two persons in the water close to the fishing vessel and quickly summoned assistance from Silloth lifeboat station. The fire-fighters then donned specialist breathing apparatus in order to go onboard the fishing boat, put the fire out, and commence a search for additional missing persons. At the same time other fire-fighters inflated a rescue hose and threw rescue lines to help the floundering persons in the dock.

Within minutes the Lifeboat had arrived and started recovery of the casualties from the water, they then kept the Liverpool Coastguard closely updated from the scene using their boats powerful VHF radio. More Fire Service units arrived, this time from Aspatria and Maryport, and soon two more teams in breathing apparatus joined the search inside the cramped confines of the boat. Two more casualties were found by the fire teams, one inside the engine room and another located in the vessels hold, they were quickly recovered and brought to the safety

of the dock side, where the exercise was deemed complete. A de-brief was held at the RNLI station to discuss proceedings and thank all those involved, in particular members of the retained fire service, the RNLI and local fisherman Joe Ray who kindly provided the boat for the exercise to take place.

Arthritis Group

Report by: Gladys Temple

Unfortunately several members sent their apologies but we were pleased to welcome Kathryn Chisholme as a new member.

Paul Gibson, Rheumatology Specialist Nurse, North Cumbria University Hospitals NHS Trust needed no introduction as he is a welcome visitor who often speaks to our group. Over the past ten years there have been dramatic changes in the treatment of many of the inflammatory and non-inflammatory conditions.

The Government have begun to realise how much Arthritis is costing the NHS and the economy. More than six million people in the UK have painful Osteo-Arthritis of the knees and 8.5 million have x-ray evidence of Osteo-Arthritis in the spine and back pain is the commonest symptom. Ten million working days were lost during 2006/07 due to musculoskeletal conditions which cost £5.7 Billions to the UK. There have been major advances in the

treatment of Osteo-Arthritis and while there is still no cure for it treatments are improving to help remission. A person newly diagnosed with Rheumatoid arthritis no longer has to inevitably look forward to deteriorating function, mobility and loss of independence. If they are promptly referred and diagnosed the treatment should mean any joint damage and functional deterioration will be minimal. These are at very early stages of research but it does give more hope that there will be alternatives to joint surgery in the future.

The mainstay of treatment of Osteo-Arthritis is still pain relief in its many forms and Paul listed many different ways this can be achieved. Osteoporosis has seen the introduction of targeted screening to identify those at risk and the prevention of falls, etc. The advent of more effective tolerated treatments has simplified treatment with IV bisphosphonates and treatments to both simulate

bone growth itself and prevent thinning.

Joan Gilbertson thanked Paul for a very interesting and informative talk.

Anne Graham, Edna Marper and Margaret Armstrong served refreshments and Kathryn Chisholme won the raffle.

Everyone then relaxed to listen to a pain relief CD. The next meeting is on 3rd June at Loveday House, the speaker will be Keith Morley on Hypnotherapy.

Charity Car Wash Raises £1,000

Report by: Sue Kent

Great excitement at the charity car wash by Silloth Fire Station Young Fire Fighters on Sunday 1st May.

Teenagers from Solway Community Technology College, who are doing a Young Fire Fighters Course, revel in delight and excitement at the Heritage centre, adjacent to the local fire station in Silloth, doing a charity car wash.

They received their first customers early in the morning and continued throughout the day, they soaped the cars up and put into practice the skills they have learned in handling the fire hoses.

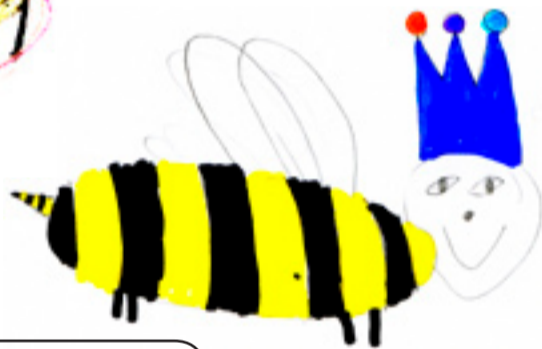

Imagine the surprise and the shock of Silloth's Fire Fighters and the students as the Silloth RNLI lifeboat and tractor arrived to be washed accompanied by a police escort with flashing blue lights! The Elaine and Don Wilkinson Atlantic 85 class lifeboat took its place in the queue, which at this time had drawn quite a crowd of amazed onlookers.

Lots of fun was had by all and with the help of a lovely sunny day the sum of £1,000 was raised for the Fire Service Benevolent Fund. A fantastic result for everyone concerned.

Dear Buzz,
My husband has recently taken up beach casting again, and found the tide tables in your newspaper, the Solway Buzz. Fortunately, I checked the on-line tables (he wanted information about May) and found that in your paper the times are given as UST or GMT, not BST. Do you think it would be helpful to put a note to this effect in the paper, or to convert the tide tables to BST? It is after all used more by locals than by mariners.

Rosina

Editor:
Rosina is correct it seems, so a note has now been added to the tables, we apologise for any confusion caused.

Dear Buzz,

Can I thank everyone who supported my Slimming World sessions in Solway Community School. Slimming World in Silloth is now being run by Jill Brough in the school at the changed day of Tuesday evenings. Jill can be contacted on 07810 544105.

Natalie Galloni

Dear Buzz,

I am writing to say thank-you to everyone who came along to the coffee morning which took place in the Pensioners Recreation Hut on Saturday 9th April in aid of The Sick Childrens Trust. I would also like to thank those kind people who kindly gave up their time to help and those who donated raffle prizes or gave donations. £260 was raised for this charity which provides free accommodation for families receiving hospital treatment for seriously ill children and babies.

Angela Hoodless

Dear Buzz,
On the 2nd April a music night was held in Silloth Rugby Club to raise money for Motor Neurone Disease. The night was held in the memory of Bill Harrison. The family would like to thank Christine and the staff from the Rugby Club for their help and Colin Rumney, Rigsby, House Of Three Hands, Brian Macavoy, Wayne Jackson, Jemma and Ciara for all the fantastic music and for the use of their equipment. We would also like to thank Jimmy and Diane Lettice c/o The Cooperative for the generous donation. All the people that kindly supported the event helped us raise a fantastic £2032.50. It was a privilege to hand the amount over to such a worthy cause. Thank You all so much for your generosity and support.

Sarah Keaveney

Dear Buzz,
Eileen and Bobby Wishart would like to thank everyone who came and helped to make their Golden Wedding celebration such an enjoyable time. A cheque for £300 from this event has been sent to The Great North Air Ambulance service

A Good Read

Why not curl up with a good book?

Rosie’s War – An English woman’s escape from occupied France by Rosemary Say and Noel Holland

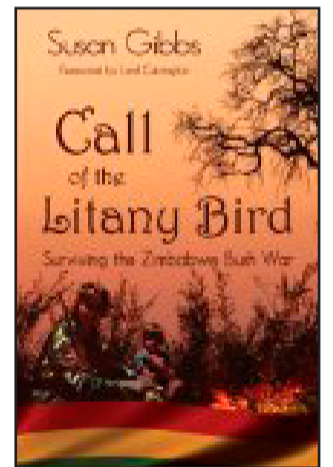

This extraordinary and genuine account tells the true story of how Englishwoman Rosemary Say escaped from Nazi-occupied France during the Second World War. Written in her own words, with the help of her daughter and son-in-law, who completes the story after her death, it’s a unique tale of courage, resourcefulness and resilience, told with warmth and humour.

Rosie left her comfortable, middle-class London home in 1939 to work as an au pair in Avignon in the south of France. It wasn’t until the following year, when Hitler launched an all-out assault on Western Europe, that

she felt in danger there, as Germany occupied the country. Trying to escape back to Britain, Rosie got as far as Paris before being rounded up as an “enemy” by the Nazis and sent to a German-run prison camp in Eastern France.

“This true story is an unsentimental account of survival”

Call of the Litany Bird by Susan Gibbs

This new memoir from Susan Gibbs evocatively relates her experience of living in Zimbabwe during the violence of the 1980s whilst trying to raise a family on a farm.

Susan found herself at the centre of an area met by extremely violent reprisals from Robert Mugabe’s North Korean trained Praetorian Guard.

In the first six months of 1983, increasing murders, including those of children, finally pushed her and her family into leaving for England.

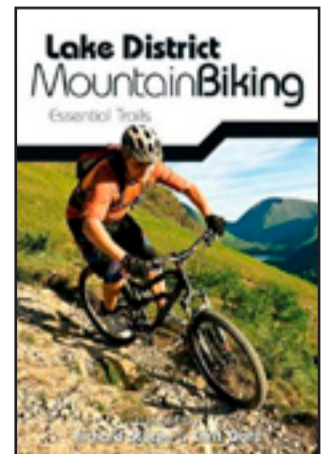

Call of The Litany Bird records that traumatic time, as Susan not only describes the violence and atrocities, but also the everyday life of running a farm in Africa. The title takes its name from the call of the fiery-necked

nightjar, a well-camouflaged bird found throughout Southern Africa.

For anyone interested in the history of this African country, and would like a greater insight into the current politics this is an invaluable read

Described as: - “Moving, informative and insightful, it’s a beautiful and compelling work.”

Report by: Tommy Legs
Photo by: Geoff Bland

April was another excellent month with ten ships visiting the port. The first was the BALTISKI 202 with fertilizer from Kaliningrad followed by the LAXFOSS who loaded fertilizer in Silloth for three ports on the north coast of Iceland. Next, the PINNAU brought fertilizer from Rouen, the NORDICA HAV brought

wheat from Rostock and the ALEXANDER GRIN brought fertilizer from Kaliningrad. The BEN VARREY brought two cargoes of wheat, one from Sharpness and the other from Liverpool and the WEDAU brought fertilizer from Gluckstadt. The ERIC HAMMANN arrived with fertilizer from Rouen and finally the VALENTIN PIKUL brought fertilizer from Klaipeda.

Jack 'Wingy' Scott

Jack 'Wingy' Scott was an
artisan member at Carlisle
and Silloth GC on either
side of the First World War,
who played with distinction,
despite only having his right
arm. A Silloth member, Mr
Ward, became involved in a
discussion with a member of
Leasowe GC on the Wirral,
about Scott's chances against
another one-armed player,
John Haskins of the Hoylake
Village club. Haskins too,
was one-armed, played
over the famous links of
Royal Liverpool GC and
had already taken part in
challenge matches. The first
match between the two men
was played over the Leasowe
links, in front of a big crowd.
Haskins went round in 75
to Scott's 79 to win by 4/3.
A return home and home
match for a £20 stake was
then played in the summer
of 1909. Wingy had ample

revenge, ending 5 up after
the first 36 holes at Silloth.
Silloth GC member David
Low recently acquired the
first picture, which shows the
two protagonists before the
Silloth match. The second,
from the Club archives,
shows Scott lining up his
putt on the first green of
what, from the direction
of shadows, looks like the
second round. Haskins is

wearing rather a natty white
jacket. Wingy continued
his good form, was seven up
after 22 holes of the Hoylake
Championship Links, and
withstood a late charge from
Haskins to win the stake
money by 3/1.

Aegon Junior Leagues Underway

Silloth's three junior teams are in the midst of their respective summer Tennis leagues with the under 10 team of Ben Stoddart, Leah Richardson, Aaron McCarthy and Shane Paden-Gale winning at Millom. The under 9 team of Kieron Oliver, Eve Fisher, Max Paton and impressive debutante Ryan Millican hosted Chatsworth from Carlisle but went down in an entertaining battle.

The under 8 team will be playing against Bitts Park soon.

Banty Trot Golf Competition

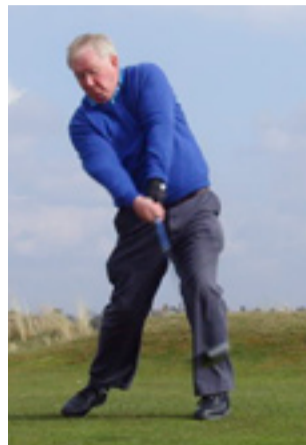

Report by: Jimmy Lettice

This years Banty Trot was a special occasion and sad in many ways. The founder of the Banty Trot golf competitions, Mr Graham Mattinson, sadly passed away this year leaving a big hole in the social golfing community. His legacy will be carried on a merry band of fellow golf nuts.

The family of Graham have donated a superb Trophy for the banty trotters to fight over. This is a prize all would like to get their hands on.

This year was a tight affair with the usual suspects in the hunt. Lennie Hodgins and his sharp short chipping game was in third place followed by the ever improving long iron specialist Phillip Allison.

The individual winner was Mr David Beeby from the Crofts. David has been consistent all season, putting from all over the parish. His driving has let him down a few times but he has mastered the art of recovery and is a true champ.

Competitions

The new season is now well underway with the competitions coming in thick and fast, The Walton Cup saw Hannah Smith pick up her first victory of the season, the runner's up prize went to Joel Baker who continued his steady start to the season. The high handicap section saw another of the season's early pace setter's Owen Dowie come away with the honours with Jay Scott winning off the black markers.

Michael Martin played some excellent stuff to win the Ridgeway Cup with Hannah Smith having to settle for the runner's up place, Reece Blake had a round to remember to take the high handicap section and Jared Cole took the black marker prize.

The Proudlock Cup saw another solid performance

from Michael Martin to pip Neil Murray into the runner's up place, Jared Cole having made the switch to the full course played some great golf to win the high handicap section, and Alexander Norman making his first start of the new season came home to claim the black marker prize.

The Gordon Trophy saw a welcome return to form for Brandon Hodgson coming home by 4 shots from Oliver Neilly, Jared Cole again impressed to win the high handicap but the highlight of the day saw Reece Moore's hard work pay off by winning his first ever competition off the blacks.

Junior Team

Our section sent two junior teams to Workington on Easter Saturday for the County Team Event, we were hoping to become double County Champions following our success last

year in winning the County Matchplay Title. It was however a strong home team that came away with title, we did however do ourselves proud with some outstanding performances from members of both teams. By the time this goes to press our defence of the County Matchplay Title will be underway, we wish our juniors well for the season.

Local Firm Expands

A big thank-you from Solway Private Hire
It's coming up to our two year anniversary we would just like to say a big thank-you to all our customers that have supported us in our business during this time.

In July 2009 we started 'Solway Private Hire' with one mini bus, then we proceeded to purchase a saloon car for our customers who couldn't quite manage to get in and out of the mini bus.

In the past year the business has grown, we have gained customers as far afield as Annan, Egremont and Alston. We have also gained school contracts and private contracts transporting children, enabling us to expand our vehicles to three mini buses, a people carrier and an extra saloon car. This has allowed us to employ several local people

The current line-up of vehicles at Solway Private Hire

as drivers and care workers, all due to local demand and your support. Thank you for helping us build up our friendly business and becoming even stronger, more reliable and affordable for you.

With starting prices from £3 around Silloth, and to all airports at competitive prices using buses or cars, we have booster cushions and child seats for the little ones. We cover all major events and work all Bank Holidays, our prices don't change throughout the day and night.

A new addition - we now have a self drive van for hire, this is due to many people calling us and enquiring. So if you need a van to hire or you need a van and driver just give us a call on 016973 32310

Yet again, many thanks from Glen & Debbie.

Silloth Seagulls Win Cup Final

Front row L-R: Ben Rowell, Brian Hayhurst, Sam Brough, Paul Hayton, Calvin Rowell, Andy Hardman, Adam Carr, Colin Baty.

Report by: Gareth Lewis

Silloth A.F.C. travelled to Borough Park on the 2nd May to contest the West Cumbria Scaffolding Divisional Cup final.

The Seagulls won 4-3 on penalties after an epic encounter with Carlisle City. Andy Hinde grabbed the only goal of the 1st half to give the Seagulls a 1-0 lead. The Seagulls upped the tempo in the 2nd half and despite conceding a sloppy goal went into the final 15 minutes with a 3-1 lead. Adam Carr firing past the keeper from a tight angle and Andy Hardman with an

audacious lob from a Ryan Hanley cross.

Then disaster struck as the 2 goal lead was squandered and a penalty was conceded in the last minute! Fortunately the spot kick was scuffed wide and extra time beckoned.

The game was now stretched as both teams looked for a winner, but there was to be no more goals and the lottery of the penalty shoot-out would decide the fate of the trophy. After one miss each the score going into 5th round of penalties was 3-3.

Goalkeeper Craig

Errington then produce a wonderful save, getting a strong right hand to the spot kick, and further cemented his place in Seagulls' folklore. The fate of the cup was now in the hands (or the right boot) of Seagulls' captain Paul Hayton who stepped up to take the last penalty. He confidently sent the keeper the wrong way, which sparked wild scenes as both players and fans flocked onto the pitch to celebrate an amazing victory.

Sam Brough was magnificent all game and deservedly won the man of the match trophy.

This was a outstanding victory for the Seagulls and it is a testament to the hard work put in by the players all season.

Big thanks also to assistant manager Colin Baty for all the work he does for the club and especially manager John Slack who has been the catalyst for all the Seagulls' success this season.

Lastly, I'd like to thank the army of Seagulls supporters who made the journey to Borough Park. You were an inspiration to the players and we are all glad we gave you something to smile about.
